ABERDEEN STANDARD PLATINUM ETF TRUST

Notes to the Financial Statements (Unaudited)

1. Organization

The Aberdeen Standard Platinum ETF Trust (the “Trust”) is a common law trust formed on December 30, 2009 under New York law pursuant to a depositary trust agreement (the “Trust Agreement”) executed by Aberdeen Standard Investments ETFs Sponsor LLC (the “Sponsor”) and The Bank of New York Mellon as Trustee (the “Trustee”). The Trust holds platinum bullion and issues Aberdeen Standard Physical Platinum Shares ETF (“Shares”) in minimum blocks of 50,000 Shares (also referred to as “Baskets”) in exchange for deposits of platinum and distributes platinum in connection with the redemption of Baskets. Shares represent units of fractional undivided beneficial interest in and ownership of the Trust which are issued by the Trust. The Sponsor is a Delaware limited liability company and a wholly-owned subsidiary of Aberdeen Standard Investments Inc. (“ASII”). ASII is a wholly-owned indirect subsidiary of abrdn (formerly known as Standard Life Aberdeen) plc. The Trust is governed by the Trust Agreement.

Effective June 25, 2021, Christopher Demetriou resigned as President and Chief Executive Officer of the Sponsor. Mr. Demetriou had served as Principal Executive Officer of the Registrant. Effective June 25, 2021, Steven Dunn was appointed President and Chief Executive Officer of the Sponsor. Mr. Dunn will serve as Principal Executive Officer of the Registrant.

The investment objective of the Trust is for the Shares to reflect the performance of the price of platinum, less the Trust’s expenses and liabilities. The Trust is designed to provide an individual owner of beneficial interests in the Shares (a “Shareholder”) an opportunity to participate in the platinum market through an investment in securities. The fiscal year end for the Trust is December 31.

The accompanying financial statements were prepared in accordance with the accounting principles generally accepted in the United States of America (“U.S. GAAP”) for interim financial information and with the instructions for Form 10-Q. In the opinion of the Trust’s management, all adjustments (which consist of normal recurring adjustments) necessary to present fairly the financial position and results of operations as of and for the six months ended June 30, 2021 and for all periods presented have been made.

These financial statements should be read in conjunction with the Trust’s Annual Report on Form 10-K for the fiscal year ended December 31, 2020. The results of operations for the three and six months ended June 30, 2021 are not necessarily indicative of the operating results for the full year.

2. Significant Accounting Policies

The preparation of financial statements in accordance with U.S. GAAP requires those responsible for preparing financial statements to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates. The following is a summary of significant accounting policies followed by the Trust.

2.1. Basis of Accounting

The Sponsor has determined that the Trust falls within the scope of Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 946, *Financial Services—Investment Companies*, and has concluded that for reporting purposes, the Trust is classified as an Investment Company. The Trust is not registered as an investment company under the Investment Company Act of 1940 and is not required to register under such act.

2.2. Valuation of Platinum

The Trust follows the provisions of ASC 820, *Fair Value Measurement* (“ASC 820”). ASC 820 provides guidance for determining fair value and requires increased disclosure regarding the inputs to valuation techniques used to measure fair value. ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

ABERDEEN STANDARD PLATINUM ETF TRUST

Notes to the Financial Statements (Unaudited)

The Trust's platinum is held by JPMorgan Chase Bank, N.A. (the "Custodian"), on behalf of the Trust, at its London, England vaulting premises. The Trust's platinum may also be held by UBS AG, or any other firm selected by the Custodian to hold the Trust's platinum in the Trust's allocated account in the firm's vault premises on a segregated basis and whose appointment has been approved by the Sponsor. At June 30, 2021, approximately 2.27% of the Trust's platinum was held by one or more sub-custodians.

The Trust's platinum is recorded at fair value. The cost of platinum is determined according to the average cost method and the fair value is based on the afternoon session of the twice daily fix of an ounce of platinum administered by the London Metal Exchange ("LME"). Realized gains and losses on transfers of platinum, or platinum distributed for the redemption of Shares, are calculated on a trade date basis as the difference between the fair value and average cost of platinum transferred.

The LME is responsible for the administration of the electronic platinum price fixing system ("LMEbullion") that replicates electronically the manual London platinum fix processes previously employed by the London Platinum and Palladium Fixing Company Ltd ("LPPFCL"), as well as providing electronic market clearing processes for platinum bullion transactions at the fixed prices established by the LME pricing mechanism. LMEbullion, like the previous London platinum fix processes, establishes and publishes fixed prices for troy ounces of platinum twice each London trading day during fixing sessions beginning at 9:45 a.m. London time (the "LME AM Fix") and 2:00 p.m. London time (the "LME PM Fix").

Once the value of platinum has been determined, the net asset value (the "NAV") is computed by the Trustee by deducting all accrued fees, expenses and other liabilities of the Trust, including the remuneration due to the Sponsor (the "Sponsor's Fee"), from the fair value of the platinum and all other assets held by the Trust.

The Trust recognizes changes in fair value of the investment in platinum as changes in unrealized gains or losses on investment in platinum through the Statement of Operations.

The per Share amount of platinum exchanged for a purchase or redemption is calculated daily by the Trustee using the LME PM Fix to calculate the platinum amount in respect of any liabilities for which covering platinum sales have not yet been made, and represents the per Share amount of platinum held by the Trust, after giving effect to its liabilities, to cover expenses and liabilities and any losses that may have occurred.

Fair Value Hierarchy

ASC 820 establishes a hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The three levels of inputs are as follows:

- Level 1. Unadjusted quoted prices in active markets for identical assets or liabilities that the Trust has the ability to access.
- Level 2. Observable inputs other than quoted prices included in level 1 that are observable for the asset or liability either directly or indirectly. These inputs may include quoted prices for the identical instrument on an inactive market, prices for similar instruments and similar data.
- Level 3. Unobservable inputs for the asset or liability to the extent that relevant observable inputs are not available, representing the Trust's own assumptions about the assumptions that a market participant would use in valuing the asset or liability, and that would be based on the best information available.

ABERDEEN STANDARD PLATINUM ETF TRUST

Notes to the Financial Statements (Unaudited)

To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised in determining fair value is greatest for instruments categorized in level 3.

The inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes, the level in the fair value hierarchy within which the fair value measurement falls in its entirety is determined based on the lowest level input that is significant to the fair value measurement in its entirety.

The Trust’s investment in platinum is classified as a level 1 asset, as its value is calculated using unadjusted quoted prices from primary market sources.

The categorization of the Trust’s assets is as shown below:

(Amounts in 000's of US\$)	December 31,	
	June 30, 2021	2020
Level 1		
Investment in platinum	\$ 1,359,615	\$ 1,330,272

There were no transfers between levels during the three months ended June 30, 2021.

2.3. Platinum Receivable and Payable

Platinum receivable or payable represents the quantity of platinum covered by contractually binding orders for the creation or redemption of Shares respectively, where the platinum has not yet been transferred to or from the Trust’s account. Generally, ownership of platinum is transferred within two business days of the trade date. At June 30, 2021, the Trust had no platinum receivable or payable for the creation or redemption of Shares. At December 31, 2020, the Trust had no platinum receivable or payable for the creation or redemption of Shares.

2.4. Creations and Redemptions of Shares

The Trust expects to create and redeem Shares from time to time, but only in one or more Baskets (a Basket equals a block of 50,000 Shares). The Trust issues Shares in Baskets to Authorized Participants on an ongoing basis. Individual investors cannot purchase or redeem Shares in direct transactions with the Trust. An Authorized Participant is a person who (1) is a registered broker-dealer or other securities market participant such as a bank or other financial institution which is not required to register as a broker-dealer to engage in securities transactions; (2) is a participant in The Depository Trust Company; (3) has entered into an Authorized Participant Agreement with the Trustee and the Sponsor; and (4) has established an Authorized Participant Unallocated Account with the Trust’s Custodian or other platinum bullion clearing bank. An Authorized Participant Agreement is an agreement entered into by each Authorized Participant, the Sponsor and the Trustee which provides the procedures for the creation and redemption of Baskets and for the delivery of the platinum required for such creations and redemptions. An Authorized Participant Unallocated Account is an unallocated platinum account, either loco London or loco Zurich, established with the Custodian or a platinum bullion clearing bank by an Authorized Participant.

The creation and redemption of Baskets is only made in exchange for the delivery to the Trust or the distribution by the Trust of the amount of platinum represented by the Baskets being created or redeemed, the amount of which is based on the combined NAV of the number of Shares included in the Baskets being created or redeemed determined on the day the order to create or redeem Baskets is properly received.

ABERDEEN STANDARD PLATINUM ETF TRUST

Notes to the Financial Statements (Unaudited)

Authorized Participants may, on any business day, place an order with the Trustee to create or redeem one or more Baskets. The typical settlement period for Shares is two business days. In the event of a trade date at period end, where a settlement is pending, a respective account receivable and/or payable will be recorded. When platinum is exchanged in settlement of a redemption, it is considered a sale of platinum for financial statement purposes.

The amount of platinum represented by the Baskets created or redeemed can only be settled to the nearest 1/1000th of an ounce. As a result, the value attributed to the creation or redemption of Shares may differ from the value of platinum to be delivered or distributed by the Trust. In order to ensure that the correct amount of platinum is available at all times to back the Shares, the Sponsor accepts an adjustment to its management fees in the event of any shortfall or excess on each transaction. For each transaction, this amount is not more than 1/1000th of an ounce of platinum.

As the Shares of the Trust are subject to redemption at the option of Authorized Participants, the Trust has classified the outstanding Shares as Net Assets. Changes in the number of Shares outstanding are presented in the Statement of Changes in Net Assets.

2.5. Income Taxes

The Trust is classified as a “grantor trust” for U.S. federal income tax purposes. As a result, the Trust itself will not be subject to U.S. federal income tax. Instead, the Trust’s income and expenses will “flow through” to the Shareholders, and the Trustee will report the Trust’s proceeds, income, deductions, gains, and losses to the Internal Revenue Service on that basis.

The Sponsor has evaluated whether or not there are uncertain tax positions that require financial statement recognition and has determined that no reserves for uncertain tax positions are required as of June 30, 2021 or December 31, 2020.

2.6. Investment in Platinum

Changes in ounces of platinum and their respective values for the three and six months ended June 30, 2021 and 2020 are set out below:

	Three Months Ended June 30, 2021	Three Months Ended June 30, 2020

Closing balance	<u>\$ 1,359,615</u>	<u>\$ 741,673</u>

2.7. Expenses / Realized Gains / Losses

The primary expense of the Trust is the Sponsor's Fee, which is paid by the Trust through in-kind transfers of platinum to the Sponsor.

The Trust will transfer platinum to the Sponsor to pay the Sponsor's Fee that accrues daily at an annualized rate equal to 0.60% of the adjusted daily net asset value ("ANAV") of the Trust, paid monthly in arrears.

The Sponsor has agreed to assume administrative and marketing expenses incurred by the Trust, including the Trustee's monthly fee and out of pocket expenses, the Custodian's fee and the reimbursement of the Custodian's expenses, exchange listing fees, United States Securities and Exchange Commission (the "SEC") registration fees, printing and mailing costs, audit fees and up to \$100,000 per annum in legal expenses.

For the three months ended June 30, 2021 and 2020, the Sponsor's Fee was \$2,208,592 and \$951,400, respectively. For the six months ended June 30, 2021 and 2020, the Sponsor's Fee was \$4,396,187 and \$1,946,097, respectively.

At June 30, 2021 and at December 31, 2020, the fees payable to the Sponsor were \$666,971 and \$665,333, respectively.

ABERDEEN STANDARD PLATINUM ETF TRUST

Notes to the Financial Statements (Unaudited)

With respect to expenses not otherwise assumed by the Sponsor, the Trustee will, at the direction of the Sponsor or in its own discretion, sell the Trust's platinum as necessary to pay these expenses. When selling platinum to pay expenses, the Trustee will endeavor to sell the smallest amounts of platinum needed to pay these expenses in order to minimize the Trust's holdings of assets other than platinum. Other than the Sponsor's Fee, the Trust had no expenses during the three and six months ended June 30, 2021 and 2020.

Unless otherwise directed by the Sponsor, when selling platinum the Trustee will endeavor to sell at the price established by the LME PM Fix. The Trustee will place orders with dealers (which may include the Custodian) through which the Trustee expects to receive the most favorable price and execution of orders. The Custodian may be the purchaser of such platinum only if the sale transaction is made at the next LME PM Fix or such other publicly available price that the Sponsor deems fair, in each case as set following the sale order. A gain or loss is recognized based on the difference between the selling price and the average cost of the platinum sold. Neither the Trustee nor the Sponsor is liable for depreciation or loss incurred by reason of any sale.

Realized gains and losses result from the transfer of platinum for Share redemptions and / or to pay expenses and are recognized on a trade date basis as the difference between the fair value and average cost of platinum transferred.

2.8. Subsequent Events

In accordance with the provisions set forth in FASB ASC 855-10, *Subsequent Events*, the Trust's management has evaluated the possibility of subsequent events impacting the Trust's financial statements through the filing date. During this period, no material subsequent events requiring adjustment to or disclosure in the financial statements were identified.

3. Related Parties

The Sponsor and the Trustee are considered to be related parties to the Trust. The Trustee and the Custodian and their affiliates may from time to time act as Authorized Participants and purchase or sell Shares for their own account, as agent for their customers and for accounts over which they exercise investment discretion. In addition, the Trustee and the Custodian and their affiliates may from time to time purchase or sell platinum directly, for their own account, as agent for their customers and for accounts over which they exercise investment discretion. The Trustee's and Custodian's fees are paid by the Sponsor and are not separate expenses of the Trust.

4. Concentration of Risk

The Trust's sole business activity is the investment in platinum, and substantially all the Trust's assets are holdings of platinum, which creates a concentration of risk associated with fluctuations in the price of platinum. Several factors could affect the price of platinum, including: (i) global platinum supply and demand, which is influenced by factors such as production and cost levels in major platinum producing countries, recycling, autocatalyst demand, industrial demand, jewelry demand and investment demand; (ii) investors' expectations with respect to the rate of inflation; (iii) currency exchange rates; (iv) interest rates; (v) investment and trading activities of hedge funds and commodity funds; and (vi) global or regional political, economic or financial events and situations. In addition, there is no assurance that platinum will maintain its long-term value in terms of purchasing power in the future. In the event that the price of platinum declines, the Sponsor expects the value of an investment in the Shares to decline proportionately. Each of these events could have a material effect on the Trust's financial position and results of operations.

5. Indemnification

Under the Trust's organizational documents, the Trustee (and its directors, employees and agents) and the Sponsor (and its members, managers, directors, officers, employees and affiliates) are indemnified by the Trust against any liability, cost or expense it incurs without gross negligence, bad faith, willful misconduct or willful malfeasance on its part and without reckless disregard on its part of its obligations and duties under the Trust's organizational documents. The Trust's maximum exposure under these arrangements is unknown as this would involve future claims that may be made against the Trust that have not yet occurred.

ABERDEEN STANDARD PLATINUM ETF TRUST

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

This information should be read in conjunction with the financial statements and notes to the financial statements included in Item 1 of Part 1 of this Form 10-Q. The discussion and analysis that follows may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, and within the Private Securities Litigation Reform Act of 1995, as amended. These forward-looking statements may relate to the Trust’s financial condition, operations, future performance and business. These statements can be identified by the use of the words “may”, “should”, “expect”, “plan”, “anticipate”, “believe”, “estimate”, “predict”, “potential” or similar words and phrases. These statements are based upon certain assumptions and analyses the Sponsor has made based on its perception of historical trends, current conditions and expected future developments. Neither the Trust nor the Sponsor is under a duty to update any of the forward-looking statements, to conform such statements to actual results or to reflect a change in management’s expectations or predictions.

Introduction

The Trust is a common law trust, formed under the laws of the state of New York on December 30, 2009. The Trust is not managed like a corporation or an active investment vehicle. It does not have any officers, directors, or employees and is administered by the Trustee pursuant to the Trust Agreement. The Trust is not registered as an investment company under the Investment Company Act of 1940 and is not required to register under such act. It does not hold or trade in commodity futures contracts, nor is it a commodity pool, or subject to regulation as a commodity pool operator or a commodity trading adviser in connection with issuing Shares.

The Trust holds platinum and is expected to issue Baskets in exchange for deposits of platinum and to distribute platinum in connection with redemptions of Baskets. Shares issued by the Trust represent units of undivided beneficial interest in and ownership of the Trust. The investment objective of the Trust is for the Shares to reflect the performance of the price of platinum, less the Trust’s expenses. The Sponsor believes that, for many investors, the Shares will represent a cost effective investment relative to traditional means of investing in platinum.

The Trust issues and redeems Shares only with Authorized Participants in exchange for platinum and only in aggregations of 50,000 Shares or integral multiples thereof. A list of current Authorized Participants is available from the Sponsor or the Trustee.

Shares of the Trust trade on the New York Stock Exchange (the “NYSE”) Arca under the symbol “PPLT”.

Valuation of Platinum and Computation of Net Asset Value

On each day that the NYSE Arca is open for regular trading, as promptly as practicable after 4:00 p.m. New York time on such day (the “Evaluation Time”), the Trustee evaluates the platinum held by the Trust and determines the NAV of the Trust.

At the Evaluation Time, the Trustee values the Trust’s platinum on the basis of that day’s LME PM Fix or, if no LME PM Fix is made on such day, the next most recent LME PM Fix determined prior to the Evaluation Time will be used, unless the Sponsor determines that such price is inappropriate as a basis for evaluation. In the event the Sponsor determines that the LME PM Fix or such other publicly available price as the Sponsor may deem fairly represents the commercial value of the Trust’s platinum is not an appropriate basis for evaluation of the Trust’s platinum, it shall identify an alternative basis for such evaluation to be employed by the Trustee. Neither the Trustee nor the Sponsor shall be liable to any person for the determination that the LME PM Fix or such other publicly available price is not appropriate as a basis for evaluation of the Trust’s platinum or for any determination as to the alternative basis for such evaluation provided that such determination is made in good faith.

Once the value of the platinum has been determined, the Trustee subtracts all estimated accrued but unpaid fees (other than the fees accruing for such day on which the valuation takes place that are computed by reference to the value of the Trust or its assets), expenses and other liabilities of the Trust from the total value of the platinum and all other assets of the Trust (other than any amounts credited to the Trust’s reserve account, if established). The resulting figure is the adjusted net asset value (the “ANAV”) of the Trust. The ANAV of the Trust is used to compute the Sponsor’s Fee.

ABERDEEN STANDARD PLATINUM ETF TRUST

All fees accruing for the day on which the valuation takes place that are computed by reference to the value of the Trust or its assets are calculated using the ANAV calculated for such day. The Trustee subtracts from the ANAV the amount of accrued fees so computed for such day and the resulting figure is the NAV of the Trust. The Trustee also determines the NAV per Share by dividing the NAV of the Trust by the number of the Shares outstanding as of the close of trading on the NYSE Arca (which includes the net number of any Shares created or redeemed on such evaluation day).

The Trustee's estimation of accrued but unpaid fees, expenses and liabilities is conclusive upon all persons interested in the Trust and no revision or correction in any computation made under the Trust Agreement will be required by reason of any difference in amounts estimated from those actually paid.

The NAV of the Trust is obtained by subtracting the Trust's liabilities on any day from the value of the platinum owned and receivable by the Trust on that day; the NAV per Share is obtained by dividing the NAV of the Trust on a given day by the number of Shares outstanding on that day.

The Quarter Ended June 30, 2021

The Trust's NAV decreased from \$1,524,587,878 at March 31, 2021 to \$1,358,948,330 at June 30, 2021, a 10.86% decrease for the quarter. The decrease in the Trust's NAV resulted primarily from a decrease in the price per ounce of platinum, which fell 10.41% from \$1,182.00 at March 31, 2021 to \$1,059.00 at June 30, 2021, as well as a decrease in outstanding Shares, which fell from 13,800,000 Shares at March 31, 2021 to 13,750,000 Shares at June 30, 2021, as a result of 250,000 Shares (5 Baskets) being created and 300,000 Shares (6 Baskets) being redeemed during the quarter.

The NAV per Share decreased 10.54% from \$110.48 at March 31, 2021 to \$98.83 at June 30, 2021. The Trust's NAV per Share fell slightly more than the price per ounce of platinum on a percentage basis due to the Sponsor's Fee, which was \$2,208,592 for the quarter, or 0.60% of the Trust's ANAV on an annualized basis.

The NAV per Share of \$118.34 at May 10, 2021 was the highest during the quarter, compared with a low of \$97.07 at June 21, 2021.

The decrease in net assets from operations for the quarter ended June 30, 2021 was \$158,322,889, resulting from a realized gain of \$456,723 on the transfer of platinum to pay expenses and a realized gain of \$6,483,755 on platinum distributed for the redemption of Shares, offset by a change in unrealized loss on investment in platinum of \$163,054,775 and the Sponsor's Fee of \$2,208,592. Other than the Sponsor's Fee, the Trust had no expenses during the quarter ended June 30, 2021.

The Six Months Ended June 30, 2021

The Trust's NAV increased from \$1,329,606,858 at December 31, 2020 to \$1,358,948,330 at June 30, 2021, a 2.21% increase for the period. The increase in the Trust's NAV resulted primarily from an increase in outstanding Shares, which rose from 13,300,000 Shares at December 31, 2020 to 13,750,000 Shares at June 30, 2021, a result of 1,150,000 Shares (23 Baskets) being created during the period and 700,000 Shares (14 Baskets) being redeemed during the period. There was a decrease in the price per ounce of platinum, which fell 0.84% from \$1,068.00 at December 31, 2020 to \$1,059.00 at June 30, 2021.

The NAV per Share decreased 1.14% from \$99.97 at December 31, 2020 to \$98.83 at June 30, 2021. The Trust's NAV per Share fell slightly more than the price per ounce of platinum on a percentage basis due to the Sponsor's Fee, which was \$4,396,187 for the period, or 0.60% of the Trust's ANAV on an annualized basis.

The NAV per Share of \$121.03 at February 19, 2021 was the highest during the period, compared with a low of \$95.09 at January 11, 2021.

The decrease in net assets from operations for the period ended June 30, 2021 was \$15,021,799, resulting from a realized gain of \$767,837 on the transfer of platinum to pay expenses and a realized gain of \$16,240,630 on platinum distributed for the redemption of Shares, offset by a change in unrealized loss on investment in platinum of \$27,634,079 and the Sponsor's Fee of \$4,396,187. Other than the Sponsor's Fee, the Trust had no expenses during the period ended June 30, 2021.

ABERDEEN STANDARD PLATINUM ETF TRUST

Liquidity & Capital Resources

The Trust is not aware of any trends, demands, commitments, events or uncertainties that are reasonably likely to result in material changes to its liquidity needs. In exchange for the Sponsor's Fee, the Sponsor has agreed to assume most of the expenses incurred by the Trust. As a result, the only ordinary expense of the Trust during the period covered by this report was the Sponsor's Fee.

The Trustee will, at the direction of the Sponsor or in its own discretion, sell the Trust's platinum as necessary to pay the Trust's expenses not otherwise assumed by the Sponsor. The Trustee will not sell platinum to pay the Sponsor's Fee but will pay the Sponsor's Fee through in-kind transfers of platinum to the Sponsor. At June 30, 2021, the Trust did not have any cash balances.

Off-Balance Sheet Arrangements

The Trust has no off-balance sheet arrangements.

Critical Accounting Policies

The financial statements and accompanying notes are prepared in accordance with accounting principles generally accepted in the United States of America. The preparation of these financial statements relies on estimates and assumptions that impact the Trust's financial position and results of operations. These estimates and assumptions affect the Trust's application of accounting policies. Refer to Note 2 to the Financial Statements for further information on accounting policies.

Item 3. Quantitative and Qualitative Disclosures About Market Risk

Not applicable.

Item 4. Controls and Procedures

The Trust maintains disclosure controls and procedures that are designed to ensure that information required to be disclosed in its reports under the Securities Exchange Act of 1934, as amended (the "Exchange Act") is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms, and that such information is accumulated and communicated to the Chief Executive Officer and Chief Financial Officer of the Sponsor, and to the audit committee, as appropriate, to allow timely decisions regarding required disclosure.

Under the supervision and with the participation of the Chief Executive Officer and the Chief Financial Officer of the Sponsor, the Sponsor conducted an evaluation of the Trust's disclosure controls and procedures, as defined under Exchange Act Rules 13a-15(e) and 15d-15(e). Based on this evaluation, the Chief Executive Officer and the Chief Financial Officer of the Sponsor concluded that, as of June 30, 2021, the Trust's disclosure controls and procedures were effective.

There have been no changes in the Trust's or Sponsor's internal control over financial reporting during the quarter ended June 30, 2021 that have materially affected, or are reasonably likely to materially affect, the Trust's or Sponsor's internal control over financial reporting.

PART II. OTHER INFORMATION

Item 1. Legal Proceedings

None.

Item 1A. Risk Factors

Except for the risk factor set forth below, there have been no material changes to the risk factors previously disclosed in the Trust’s Annual Report on Form 10-K for the fiscal year ended December 31, 2020.

Effects of COVID-19

The respiratory illness COVID-19 caused by a novel coronavirus has resulted in a global pandemic and major disruption to economies and markets around the world, including the United States. Financial markets have experienced extreme volatility and trading in many instruments has been disrupted. Liquidity for many instruments has been greatly reduced for periods of time. Some interest rates are very low and in some cases yields are negative. Some sectors of the economy and individual issuers have experienced particularly large losses. These circumstances may continue for an extended period of time, and may continue to affect adversely the value and liquidity of the Trust’s investments. The ultimate economic fallout from the pandemic, and the long-term impact on economies, markets, industries and individual issuers, including Shares of the Trust, are not known. The information technology and other operational systems upon which the Trust’s service providers rely could be impaired and the ability of employees of the Trust’s service providers to perform essential tasks on behalf of the Trust could be disrupted. Governments and central banks, including the Federal Reserve in the U.S., have taken extraordinary and unprecedented actions to support local and global economies and the financial markets. The impact of these measures, and whether they will be effective to mitigate the economic and market disruption, will not be known for some time.

Item 2. Unregistered Sales of Equity Securities and Use of Proceeds

Item 2(a). None.

Item 2(b). Not applicable.

Item 2(c). For the three months ended June 30, 2021:

5 Baskets were created.

6 Baskets were redeemed.

Period	Total Baskets Redeemed	Total Shares Redeemed	Average ounces of platinum per Share
April 2021	6	300,000	0.093
May 2021	—	—	—
June 2021	—	—	—
	6	300,000	0.093

Item 3. Defaults Upon Senior Securities

None.

Item 4. Mine Safety Disclosures

Not applicable.

Item 5. Other Information

None.

CERTIFICATION OF CHIEF EXECUTIVE OFFICER PURSUANT
TO SECTION 302 OF THE SARBANES-OXLEY ACT OF 2002

I, Steven Dunn, certify that:

- 1. I have reviewed this Report on Form 10-Q of Aberdeen Standard Platinum ETF Trust;
- 2. Based on my knowledge, this report does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading with respect to the period covered by this report;
- 3. Based on my knowledge, the financial statements, and other financial information included in this report, fairly present in all material respects the financial condition, results of operations and cash flows of the registrant as of, and for, the periods presented in this report;
- 4. The registrant’s other certifying officer and I are responsible for establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rules 13a-15(e) and 15d-15(e)) and internal control over financial reporting (as defined in Exchange Act Rules 13a-15(f) and 15d-15(f)) for the registrant and have:
 - (a) Designed such disclosure controls and procedures, or caused such disclosure controls and procedures to be designed under our supervision, to ensure that material information relating to the registrant, including its consolidated subsidiaries, is made known to us by others within those entities, particularly during the period in which this report is being prepared;
 - (b) Designed such internal control over financial reporting, or caused such internal control over financial reporting to be designed under our supervision, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles;
 - (c) Evaluated the effectiveness of the registrant’s disclosure controls and procedures and presented in this report our conclusions about the effectiveness of the disclosure controls and procedures, as of the end of the period covered by this report based on such evaluation; and
 - (d) Disclosed in this report any change in the registrant’s internal control over financial reporting that occurred during the registrant’s most recent fiscal quarter (the registrant’s fourth fiscal quarter in the case of an annual report) that has materially affected, or is reasonably likely to materially affect, the registrant’s internal control over financial reporting; and
- 5. The registrant’s other certifying officer and I have disclosed, based on our most recent evaluation of internal control over financial reporting, to the registrant’s auditors and the audit committee of the registrant’s board of directors (or persons performing the equivalent functions):
 - (a) All significant deficiencies and material weaknesses in the design or operation of internal control over financial reporting which are reasonably likely to adversely affect the registrant’s ability to record, process, summarize and report financial information; and
 - (b) Any fraud, whether or not material, that involves management or other employees who have a significant role in the registrant’s internal control over financial reporting.
