1. Parties To This Agreement

- 1.1 These terms form part of an agreement between you and us for investments in any Funds where you hold them either directly or in an ISA. These terms explain our obligations to you and your obligations to us. They are in addition to any other terms and conditions that are implied or included by Law, such as your statutory rights as a consumer, even if they don't appear in these terms.
- 1.2 In making decisions and exercising discretions given to us under this Agreement, we will act reasonably and with proper regard to the need to treat you and our other customers fairly. These terms will only apply to investments you have in any Funds where you hold them directly or in your ISA provided that they are not held by a relevant court or viewed by the FCA to be unfair contract terms. If a term is held, viewed or considered to be unfair it will, as far as possible, still apply but without any part of it which would cause it to be held, viewed or considered unfair.
- 1.3 We are abrdn Fund Managers Limited and we have our registered office at 280 Bishopsgate, London, EC2M 4AG (and references to "us" and "our" have the same meaning). We are authorised and regulated by the Financial Conduct Authority and we appear on the Financial Services Register under number 121803. We are also approved by HM Revenue & Customs (HMRC) to act as a manager of an ISA. We will be responsible for managing your ISA and will purchase Units in the Funds on your behalf. We also provide and manage the Funds.
- 1.4 You are the holder of the Funds and (where relevant) the ISA (and references to "your" have the same meaning).
- 1.5 We will treat you as a "retail client" for the purposes of the Law, which means that you will benefit from the highest level of consumer protection available under the FCA Handbook.
- 1.6 You should read the Prospectus and the Key Investor Information Document(s) that apply to the Funds you have selected on your Application Form. You can also find our contact details, cancellation information and complaints information in the Supplementary Information Document.

3. Application And Cancellation

ISA and Non-ISA

3.1 You can find a list of the **Funds** which are available for investment on the **Application Form**, or by contacting us (our contact details are at section 26 (Contact Us).

ISA

- 3.2 Only individuals who meet certain eligibility restrictions imposed by the **Law** will be able to open an **ISA**.
- 3.3 To be eligible for a stocks and shares **ISA**, **you** must:
 - 3.3.1 be at least 18 years old;
 - 3.3.2 be an **Employee** or **Pensioner**;

(please see section 10 for more information on the consequences of ceasing to be an Employee or Pensioner)

- 3.3.3 hold a UK bank (or building society) account;
- 3.3.4 be resident in the UK or meet certain other residency requirements specified by the **Law**.
- 3.3.5 be an individual as stated in the **HMRC ISA** guidance.
- 3.4 Under the **Law**, **you** will be either a UK resident (as set out under section 3.2.4 above) or not resident for tax purposes.
 - 3.4.1 If, during a **Tax Year you** notify **us** of a change of address and **you** do not, at the same time declare **your** residency for tax purposes, **we** will:

(a) write to **you** to ascertain **your** residency status;

(b) place a future dated restriction on **your ISA** account to prevent **you** from making a lump sum investment in the next **Tax Year**; and

(c) **we** may also add an end date to **your** Direct Debit Form to prevent direct debit collections during that subsequent **Tax Year**.

- 3.4.2 If you declare to us during a Tax Year that you are not resident, we will, in accordance with the Law, remove any ineligible subscriptions to your ISA made during that Tax Year and (if applicable) other relevant Tax Years. You will continue to hold the underlying Fund in which you are invested, but this will be held out-with the ISA wrapper. We will not reinstate any subscriptions that we have removed in this way if you later establish that you were UK resident.
- 3.4.3 You agree to notify us of your change of residency as soon as reasonably possible.

Guidance to help **you** determine whether **you** are not resident is available at www.gov.uk/government/publications/ rdr3-statutory-residence-test-srt

3.4.4 Subject to the Law, if the information you have supplied us is insufficient, we may still open an ISA on a provisional basis. Where we open an ISA on a provisional basis you must supply us with any missing information within thirty days of written notice from us requesting such information, otherwise the ISA will be voided in accordance with HMRC rules. This means that your ISA will be closed with the loss of all tax exemptions. The Units will then be held in your own name outside the ISA.

ISA and Non-ISA

- 3.5 You must also provide us with satisfactory evidence of your identity in order for us to satisfy anti-money laundering obligations imposed on us by Law (for more information see section 30 (Money Laundering)).
- 3.6 All applications must be made by the investor, except where the **Law** allows **us** to accept applications from duly appointed attorneys. If **you** are acting as an attorney and wish to apply on behalf of someone else, please contact **us** (see section 26 (Contact Us)) as **we** will require certain documentation from **you** before proceeding.
- 3.7 We can refuse any application to open an Account. For more information or if you have any questions please contact us (our contact details are available in section 26 (Contact Us)). We may not give you a reason for refusing an application.
- 3.8 If **we** don't accept **your Application Form**, **we** will refund **your** payment to source as soon as reasonably practicable. **We** will not pay interest on any money that **we** hold while **your** application is pending.

3.9 If you have made an investment as a result of a personal recommendation from a financial adviser, you may be entitled to cancel **your** investment if you change your mind within the first fourteen days of receipt from us of the notice to cancel. We refer to this period of time as the Cancellation Period. If you wish to cancel **your ISA** and/or investment **you** should notify us of your wish to cancel by writing to us (our contact details are available in section 26 (Contact Us)). If you cancel your ISA or investment within the Cancellation Period we will return all payments made by you (regardless of your method of payment) by cheque within ten days, but you will not receive back the full amount you paid us if the value of the Units has fallen since **we** opened **your ISA** or made the investment. Any ISA payments made within the Cancellation Period will not be treated as ISA subscriptions for tax purposes.

Advised ISA Investors

- 3.10 If you decide that you no longer wish to proceed with your ISA after the Cancellation Period has ended we will return all payments made by you in accordance with section 6 (Buying, Selling, and Switching Units), but you will not receive back the full amount you paid us if the value of the Units has fallen since we opened your ISA. Your subscription will also still count as a subscription to a Stocks and Shares ISA for that Tax Year.
- 3.11 If **you** are transferring an existing **ISA** from another **ISA** manager to **us**, please see section 11.4 for more information. We will open **your ISA** as soon as **we** have accepted **your** transfer form and have received the net proceeds of **your** previous **ISA** or **Units** from **your** previous **ISA** manager.

4. Subsequent Tax Years (ISA)

- 4.1 Provided that **you** continue to satisfy eligibility and residency rules (see section 3.3 and section 3.2), **you** can continue to make subscriptions into **your ISA** in subsequent **Tax Years** up to the **Annual ISA Allowance** without the need to make new applications.
- 4.2 If **you** do not make any subscriptions in an entire **Tax Year**, **you** will need to complete a new application to allow **you** to make any further investments into **your ISA**.
- 4.3 If you choose to make regular monthly subscriptions (see section 5 (Paying into your Account)) into your ISA, these subscriptions will continue into subsequent Tax Years until you instruct us to stop.

5. Paying Into Your Account

ISA

- 5.1 The Annual ISA Allowance is subject to review and change by the Law. Your payments into your ISA must not be less than any minimum we have told you about or go over the Annual ISA Allowance. When you have used your full Annual ISA Allowance during a Tax Year you cannot pay any more in that Tax Year. This includes replacing any money which you have withdrawn.
- 5.2 All initial payments into your ISA must be made by cheque only and subject to you completing the Application Form. You must make payments into your ISA with your own money. We have the right to satisfy ourselves that you have used your own money.

ISA and Non-ISA

- 5.3 Payments in to your account may be made by:
 - 5.3.1 cheque;
 - 5.3.2 debit card (through **our** online access facilities (see section 21 Online Access) or by telephone on 0345 113 6966); or
 - 5.3.3 monthly Direct Debit (see section 5.5.2 Regular Monthly Subscriptions).
- 5.4 We will only process your debit card payment once we have verified funds are available.
- 5.5 You can pay into your Account in the following ways:
 - 5.5.1 Lump Sum Payments

Cheques should be made payable to abrdn Fund Managers Limited. Building Society cheques, Bankers Drafts or Counter cheques must clearly identify the investor as the account holder, e.g. abrdn Fund Managers Limited A/C Mr A Smith; and debit card (through **our** online access facilities (see section 21 Online Access) or by telephone on 0345 113 6966).

5.5.2 **Regular Monthly Subscriptions**

You can invest monthly by Direct Debit into your Account. Subject (where applicable) to the Annual ISA Allowance, you can set up a Direct Debit at any time.

You can apply to set up a Direct Debit in the following ways:

(a) **in writing**;

(b) online (through **our** online access facilities (see section 21 Online Access); or

(c) by telephone on 0345 113 6966.

If applying **in writing** or through **our** online access facilities, **you** should complete the relevant Direct Debit Form and either send it to **us** (our contact details are available in section 26 (Contact Us) or complete online (see section 21 Online Access). **We** must receive a completed Direct Debit Form at least ten **Business Days** before the month in which **you** want the Direct Debit to begin.

We will collect Direct Debit payments on the first Business Day of each month.

If three consecutive attempts to collect a Direct Debit fail, **we** can suspend further collection until **we** receive new instructions from **you**. Direct Debit instructions will remain in place until **you** cancel or replace them. This means that subscriptions will continue into subsequent **Tax Years** unless **you** cancel **your** Direct Debit instructions.

You can instruct us to cancel or change the amount of your monthly Direct Debit at any time, subject to the minimum limits we have told you about and (where applicable) the Annual ISA Allowance. You will also need to notify **your** bank or building society from which the Direct Debit payment is made. We must receive your instructions at least ten Business Days before the first day of the month in which you want the cancellation or change to take effect. Instructions to cancel or change a Direct Debit can be made by post, telephone or fax. Direct Debit details will be disclosed to the registered holder of the Units during the initial set-up and upon subsequent amendments. If the registered holder and contributor are different people, please ensure that the contributor is aware that their details will be made available to the registered holder in the future. All statements will be sent to the registered holder only, unless otherwise instructed by the registered holder.

5.6 Minimum Investment Restrictions

Minimum Initial Lump Sum Investment	£500
Minimum Subsequent Lump Sum Investment	£50
Minimum Regular Monthly Subscriptions	£50
Minimum Holding	£50
Minimum Transfer from another ISA	£500

We reserve the right to change the minimum amounts you can invest.

6. Buying, Selling and Switching Units

ISA and Non-ISA

- 6.1 You can find a list of the Funds which are available for investment on the Application Form, or by contacting us (our contact details are available in section 26 (Contact Us)).
- 6.2 For so long as **you** remain an **Employee** or a **Pensioner**, **you** will be able to invest in the **Special Unit Class**, where this is available. On an annual basis **we** will conduct checks to ensure that **you** are an **Employee** or a **Pensioner**. Please see section 10 for more information on the consequences of ceasing to be an **Employee** or **Pensioner**.
- We reserve the right from time to time to vary the list 6.3 of Funds available for investment through your ISA or directly by adding or removing Funds (or a Class), provided that we believe it is reasonable to do so. If we decide to remove a Fund (or a Class) and our records show that you are invested in that Fund (or Class) we will, where possible, give you at least thirty days' notice of **our** intention to remove the **Fund** (or Class). In the notice, we will provide you with a number of options, which will depend on whether we choose to close the Fund to new investments or remove the ability to invest in the Fund through the ISA. If we decide to remove a Fund in its entirety, and you have not selected one of the options we have notified you of we reserve the right to automatically sell your investments in that Fund or switch you into our lowest risk Fund in order to maintain your ISA tax status.
- 6.4 You can give us instructions:
 - 6.4.1 in writing;
 - 6.4.2 by telephone on 0345 113 6966; an instruction to sell may be accepted by telephone provided that:
 - The instruction is given by you or your appointed agent (such as a financial adviser) as recorded on the Account;
 - (ii) The cheque is made payable to you and issued to the address of the holder as recorded on the register;
 - (iii) The address of the holder as recorded on the register has not been amended within the thirty day period prior to the instruction to sell;
 - (iv) We complete validation checks on you (or all holders, where there is more than one holder) or your agent successfully;

Please note that if the above procedure is followed, a form of renunciation will not be required. If a form of renunciation is required this will be issued to you by post within twenty-four hours of the telephone deal being placed. This may result in a delay in **you** receiving **your** payment 6.4.3 online (see section 21 (Online Access)).

- 6.5 We will act on your instructions at the next available Valuation Point, provided your instructions are clear and valid.
- 6.6 We will buy, sell and switch Units in accordance with your instructions and our order execution policy. This policy sets out how we provide certain services to you, including the price we obtain for you when executing an instruction. Full details of our order execution policy are available from us free from charge (our contact details are available in section 26 (Contact Us)).
- 6.7 We can refuse to carry out an instruction where we are unable to obtain authorisation on your debit card for payment of the full amount due on a purchase instruction or if you submit incorrect details.
- 6.8 While **we** will act on **your** behalf in respect of instructions, **we** will not provide **you** with any investment advice or investment recommendations.
- 6.9 We are not required to assess the suitability of any investment **you** wish to make and **you** will not therefore benefit from the protection of the **FCA** Rules in assessing suitability.
- 6.10 We are entitled to assume that all instructions you give to us are correct. No amendments to instructions may be given once those instructions have been placed. It is your responsibility to check that your instructions have been carried out correctly. If an instruction has not been carried out correctly or an error has occurred, you should inform us as soon as reasonably possible. When we are made aware of any error we will consider appropriate actions to remedy it in accordance with section 23.5.
- 6.11 If your instructions are incomplete, inaccurate or unclear we will not accept your instructions. In such cases, where you have provided us with payment, we will treat that payment as unallocated cash. See section 9 (Unallocated or Unclaimed Cash). If we are unable to clarify your instructions within one Business Day of receipt of the original instructions, we will return your payment to you. Any money which we return to you in this way will not count towards the Annual ISA Allowance.
- 6.12 We may refuse to carry out or allow any instruction given to us if we:
 - 6.12.1 are not reasonably satisfied that the transaction is legal and permitted by **Law**;
 - 6.12.2 have already asked you to confirm your identity and you have yet to provide any evidence of your identity; and
 - 6.12.3 have reasonable grounds to believe that **you** are involved in **Marketing Timing and Short Term Trading Activities**.
- 6.13 Where **we** refuse to carry out a transaction, **we** will notify **you**.

- 6.14 From time to time there may be factors beyond **our** control meaning that **we** are unable to carry out instructions.
- 6.15 If **we** experience any difficulty in executing **your** instruction promptly **we** will inform **you** within five **Business Days** of identifying the issue.
- 6.16 We will buy Units in the Funds you have selected or instruct us to buy from time to time.
 - 6.16.1 As **AFM** of the **Funds**, when buying **Units** on **your** behalf **we** will:

(a) buy **Units** for **you** at the next **Valuation Point** after **we** receive **your** instruction; and

(b) arrange for the register of the relevant **Fund** to be updated to reflect this holding.

- 6.16.2 We will not pass payment to the **Trustee** for the **Units** until the relevant **Fund's Settlement Date**. Once payment has been made to the **Trustee** on the relevant **Fund's Settlement Date you** will receive irrevocable ownership rights to the **Units**.
- 6.17 We are generally required to treat any money we receive from you or hold on your behalf as client money under the Client Money Rules. This means that we make certain arrangements regarding the proper accounting and handling of your money to ensure that it is held separately from our own money. In the unlikely event that we go into liquidation, your money would be recognised as belonging to you.
- 6.18 When you buy or sell Units in any Fund, we are not required to treat your subscription payment or redemption proceeds as client money for the purposes of settling that transaction provided that money is used to subscribe for Units (in the case of a subscription payment) or paid out to you (in the case of redemption proceeds) by the end of the Business Day following the day on which we received the money. This is through the Delivery Versus Payment exemption. In these circumstances, your subscription payment or redemption proceeds could be mixed with our own money and will not have the same level of protection as if we had treated it as client money.
- 6.19 We will treat your money as client money under the Client Money Rules where we have received cash more than one Business Day prior to Settlement Date or we cannot match this to an outstanding deal instruction before the next available Valuation Point. Where redemption proceeds are paid by cheque, such redemption proceeds will be held as client money until the cheque is cashed. Any monies which are being treated by us as client money under the Client Money Rules will be held in a pooled general client bank account. No interest is paid to you in respect of these monies.

- 6.20 We will not wait for your payment to clear before buying Units. If your payment is returned by your bank we will, where permitted by Law, cancel your instruction within 24 hours of being informed by your bank, even if we have acted upon your instruction. We may claim any shortfall from you or retain any profit that we may make from re-selling the Units or cancelling your instruction.
- 6.21 We will charge you for any costs which we reasonably incur where we sell Units in accordance with section 6.20 above. If the value we receive for selling the Units is less than the price we paid for them, we will ask you to repay the shortfall to us. If the value we receive from selling those Units is greater than the price we have paid, we will retain any gain which has been caused by market movements.
- 6.22 We will sell Units at the next Valuation Point after we receive your instructions to sell, provided we have clear and valid instructions from you.
- 6.23 If **you** instruct **us** by telephone to redeem **your Units** and **we** hold verified bank details for **you**, **we** will pay **your** redemption proceeds to that bank account. If **we** are unable to verify **your** bank details, **we** will either request further details from **you**, or send payment to **you** by cheque. This will not delay **us** acting on **your** instructions.
- 6.24 When **you** redeem **Units your** holding will be removed from the relevant **Fund's** register. In the case of ISA accounts, once a redemption has been placed and settled, sale proceeds are simultaneously removed from the ISA wrapper.
- 6.25 Typically, when **your** redemption proceeds are paid by **TT** or **BACS you** will receive cleared funds by the **Settlement Date**. Where **we** pay **your** redemption proceeds by cheque, **we** will pay the proceeds from the sale of **Units** to **you** when **we** receive them from the **Trustee**. This should be no later than the relevant **Fund's Settlement Date**. Notwithstanding this, **we** may, for a period of up to one **Business Day** from receipt of the money from the **Trustee** rely on the **Delivery versus Payment** exemption irrespective of the payment method used.
- 6.26 We will provide you with protection under the Client Money Rules from the Settlement Date until your cheque is encashed.
- 6.27 Irrespective of the payment method, in circumstances where there is delay in payment for any reason beyond the **Settlement Date**, protection of the sums will be provided in accordance with the **Client Money Rules** until such time as **you** receive the proceeds.
- 6.28 In the unlikely event that **we** become insolvent during the **Settlement Period**, the **Trustee** may retain any repurchase proceeds pending the appointment of a new manager to the relevant **Fund**.
- 6.29 You can instruct us at any time to exchange some or all of your Units in one Fund to Units in another Fund,

we refer to this as "Switching" your Units or a "Switch". Except in relation to exchanges in Units between the PAIF Fund and its associated Feeder Fund (see section 6.30), we will execute a Switch of your Units at the next Valuation Point after we receive your instructions. If you invest by Direct Debit, your future payments will be invested in the new Fund(s) selected by you.

- 6.30 You can Switch Units that you hold in the PAIF Fund for Units in its associated Feeder Fund and vice versa. Switches between these Funds will be effected in accordance with the prevailing Prospectus and in any event can be made immediately after the end of the relevant Fund's income allocation period.
- 6.31 There is no limit on the number of **Switches you** can make. (Subject to the provisions of section 6.13).
- 6.32 In accordance with the FCA Rules, we will send you a Contract Note of the value of any Units that you buy or sell, except if you make regular monthly subscriptions (see section 5.3.2 (Regular Monthly Subscriptions)) or regular withdrawals (see section 8.1). We will normally send you the Contract Note on the next Business Day following the day that we execute your instruction. If you deal through our online access (see section 21 Online Access), you will also see a confirmation of your transaction on-screen.

7. Income

ISA and Non-ISA

- 7.1 Unless you indicate that **you** wish to invest in **Income Units**, **you** will be invested in **Accumulation Units** where both are available. If **you** choose to buy **Income Units**, any income arising from the **Income Units** will be paid either to **your** bank or building society account or to **you** by cheque. On termination of **your Account**, any income accruing will be paid to **you** as soon as practicable after receipt by **us**.
- 7.2 If reinvestment of distributions is requested, **we** will switch **you** from **Income Units** to **Accumulation Units** at no cost to **you**. Where a reinvestment instruction is already in place, the distribution will be reinvested in the same class.

ISA

- 7.3 Income which **we** have tried to pay out to **you** but which remains unclaimed will be held outside **your ISA** by the **Trustee** in accordance with trust **law** or will be held in accordance with the **Client Money Rules** until allocated to **you.**
- 7.4 Where **you** transfer an **ISA** to **us we** reserve the right to reject income distributions paid by **your** old **ISA** manager after the date of transfer where these are less than £20. In these circumstances, the distribution cheque will be returned to **your** old **ISA** manager for re-issue directly to **yourself**.

Non-ISA

7.5 Income which **we** have tried to pay out to **you** but remains unclaimed will be held by the **Trustee** for a period of six years, at which point the income will then revert to the **Fund** in accordance with the **Law**.

8. Taking Money Out Of Your Account

ISA and Non-ISA

- 8.1 You can instruct us at any time to withdraw money from your Account. Withdrawals can only be made in cash so we will sell some or all of your Units to cover the amount you want to withdraw.
- 8.2 You can request to make a single lump sum withdrawal or regular monthly, quarterly, six-monthly or annual withdrawals. Regular withdrawals can only be funded by the sale of **Accumulation Units**.
- 8.3 If **you** make a withdrawal and have already invested the whole **Annual ISA Allowance you** will not be able to repay or make-up any withdrawals by investing more in **your ISA**.
- 8.4 If you have Units in more than one Fund, you must tell us the Fund(s) from which you wish to sell the Units. Your withdrawal cannot result in the amount you have invested in a Fund dropping below the minimum remaining value amount noted in section 8.5. If you want to close your ISA or Account please see section 12 (Closing Your ISA and/or Account).
- 8.5 The minimum amount **you** can withdraw at any one time and the minimum remaining value of **your ISA** or **Account** are set out below.

Minimum Lump Sum Withdrawal	£50
Minimum Regular Withdrawal	£25
Minimum Remaining value in your ISA or Account	£50

- 8.6 We will process any withdrawal request at the next Valuation Point after we receive your instructions.
- 8.7 Provided we are satisfied that we have complied with our anti-money laundering obligations (see section 30 (Money Laundering)) we will pay the money to you by cheque unless either:
 - 8.7.1 **you** have previously provided **us** with details of **your** bank or building society account and **we** have already verified these details; or
 - 8.7.2 **your** instructions to sell include instructions to transfer the proceeds into **your** bank or building society **account** and **you** provide **us** with those details.

To enable **us** to verify **your account we** may need **you** to send **us** an original: voided cheque; or and original bank or building society statement no older than three months (an online statement is not acceptable); or a paying in slip. The document must be for the **account your** sale proceeds are to be paid into.

(**We** will request these documents from **you** where required).

We may be able to verify your bank details electronically using a reference agency, please contact our customer services team by phone on 0345 113 6966 to discuss this option.

Any future sale proceeds for this investor account will be paid directly into this bank or building society account. It is your responsibility to inform us of any changes to your bank or building society account details.

8.8 We will normally pay the money to you on the Settlement Date which will be up to the third Business Day following acceptance of your deal instruction, depending on the Fund held.

9. Unallocated Or Unclaimed Cash

ISA

9.1 Generally, **we** will not hold cash within **your ISA**.

9.2 Cash which **we** hold on **your** behalf and which **we** are either unable to allocate (for example because **your** instructions are unclear or incomplete) or which **we** have tried to pay out to **you** but remains unclaimed will be held outside **your ISA** in accordance with the **Client Money Rules**.

ISA and Non-ISA

- 9.3 Any cash which we hold on your behalf will be held together with money deposited by our other customers in one or more segregated pooled client money bank accounts with such recognised banks that we may from time to time select. In accordance with the Client Money Rules, the accounts will be denominated to make it clear that the money in the account(s) belongs to you and not to us.
- 9.4 No interest will be paid on any cash held.
- 9.5 We will provide you with an annual client money statement if we hold a client money balance for you on the October statement date. You have the right to request a client money statement at any time. We may apply a reasonable charge for any additional client money statements that you request. We will advise you of this charge (if any) at the time you make such a request.
- 9.6 If the bank that is holding your money becomes insolvent, we will attempt to recoup your money on your behalf. However, if the bank cannot repay all the persons to whom it owes money, any shortfall may have to be shared proportionally between all its creditors including you and our other customers. In this situation, you may be eligible to claim under the Financial Services Compensation Scheme (see section 28 (Compensation)).

- 9.7 In certain circumstances, if we have lost touch with you, we will be permitted to pay your client money balance to charity after six years. We will not do this until we have first made reasonable efforts to contact you. You will still be entitled to recover this money from us at a later date irrespective of whether we have paid the money to charity.
- 9.8 We will not be responsible for any loss or damages suffered by **you** because of any error or action taken or not taken by any third parties holding client money in accordance with the Client Money Rules, unless the loss arises because **we** have been negligent or acted fraudulently or in bad faith.

10. Ceasing to be an Employee or Pensioner

ISA and Non-ISA

- 10.1 In the event that **you** are no longer an **Employee** (other than by becoming a **Pensioner**), **we** may, at **our** absolute discretion, permit **you** to continue investing in any **Special Unit Class Units** or other **Unit Classes** which **we** consider appropriate under this **Agreement**, otherwise **we** will automatically convert any **Special Unit Class Units** to the appropriate **Unit Class** generally available to retail investors of the relevant **Fund**(s) in which **you** are invested.
- 10.2 We will write to you giving at least thirty days' notice before we convert the Units in your Account.
- 10.3 Where we convert your Units in this way, we will consider your agreement to this Agreement as your dealing instructions. We will consider that any standing instructions, including (but not limited to) those relating to regular withdrawals, regular purchases, or instructions regarding income from your Special Unit Class Units in place immediately before any conversion will continue to apply to the Units in the new Unit Class in the same way after conversion.
- 10.4 Your Account may remain open and you can continue to invest under this Agreement with the same tax advantages but the Special Unit Class Units may no longer be available to you.
- 10.5 You should be aware that charges will apply in relation to the ordinary unit classes (see section 16.3).
- 10.6 If at the date of **your** death **your** Account is invested in **Special Unit Classes** and **we** are instructed by **your** personal representative to transfer those **Units** to another person (see section 13 (Death)) **we** will convert those **Units** to the ordinary unit class generally available to retail investors of the relevant **Fund**(s) before executing the transfer.

11. Transferring Your ISA

- 11.1 You may, at any time, instruct us to transfer your ISA to another person approved by HMRC to act as manager of an ISA. Current Tax Year subscriptions may only be transferred in whole. Previous Tax Year subscriptions may be transferred in whole or in part.
- 11.2 To instruct a transfer to another provider, you will need to contact the new ISA manager and complete a transfer authority. Once we have received this authority and instructions from the new ISA manager, we will sell your Units at the next available Valuation Point. We will then transfer the net proceeds to your new ISA manager within the time period specified by you, but subject to any reasonable business period we require for the practical implementation of your instructions (normally three Business Days). In any event, we will transfer the net proceeds within thirty days of receiving your instructions.
- 11.3 We may, in certain circumstances permitted by Law, for example if we decide to stop acting as an ISA manager, arrange a "bulk transfer" of our ISA customers, that is we may transfer the whole or part of your ISA to another ISA manager without your consent. We will only transfer your ISA to another ISA manager if we are satisfied that in doing so we are treating you fairly and in accordance with the Law. We will always write to you before we transfer your ISA and you will have the opportunity to object, but please note that the only other options available may be for us to close your ISA (please see section 12.2 (Our right to close your ISA and/or Account)) or for you to transfer your ISA to another ISA manager selected by you.
- 11.4 Where we arrange a "bulk transfer" of our ISA customers to another ISA manager as noted in section 11.3 above, we may also transfer any cash that we hold in accordance with the Client Money Rules to that ISA manager without your prior consent. On request, the new ISA manager must return any balance of client money to you as soon as possible. Subject to the Client Money Rules, the sums transferred may be held by the new ISA manager in accordance with the Client Money Rules, otherwise we will exercise all due skill, care and diligence to assess whether the new ISA manager has adequate measures in place to protect your money. We will act at all times in accordance with the prevailing Client Money Rules.

- 11.5 You can transfer all or part of an existing Cash ISA and/or Stocks and Shares ISA from another ISA manager to us.
- 11.6 We will accept transfers in the form of cash. Where cash is transferred, on receipt of your cash and written instructions, we will purchase the Units at the next Valuation Point of the Fund(s) specified by you. We will also accept transfer of any Units that you hold or that are held on your behalf outside of your ISA.
- 11.7 If your previous ISA manager transfers any refunds of tax or income payments to us after the date of transfer, we will use the amount received to purchase Units in the Fund(s) in accordance with the original transfer or your subsequent instructions. Where you have invested in a number of Funds, the amount we receive will be divided between these Funds in proportion to your original transfer or your subsequent instructions.

12. Closing Your ISA and/or Account

Your Right to Close Your ISA and/or Account

12.1 You can write to us, go online, or phone us to instruct us to close your ISA and/or Account at any time. Our contact details are available in section 26 (Contact Us).

Our Right to Close Your ISA and/or Account

- 12.2 We can close your **ISA** and/or Account and terminate this **Agreement**:
 - 12.2.1 without prior notice if any information **you** provide **us** is found to be factually incorrect or materially incomplete; or
 - 12.2.2 without prior notice if the value of the **Units** in **your Account** falls below £50; or
 - 12.2.3 if you fail to comply with this Agreement in a material way and fail to remedy this within 30 Business Days of us asking you to do so, or if you fail to make any payments due to us after we notified you of the amount you owe us and having given you a further 30 Business Days to make the required payments; or
 - 12.2.4 by giving **you** at least thirty Business Days prior written notice; or
 - 12.2.5 without prior notice for any valid reason, for example where **we** are required to do so by **Law**. In this case, **we** will write to you immediately to inform you of the termination of your **ISA** and/or **Account**. Wherever possible, **we** will take appropriate steps to ensure that the tax benefits associated with **your ISA** are preserved where applicable.

What Happens on Closure

- 12.3 Where:
 - 12.3.1 **you** have instructed **us** to close your **ISA** and/ or **Account we** will sell the **Units** and pay the net sale proceeds in cash to **you**; or
 - 12.3.2 we have closed your ISA and/or Account we will sell the Units and pay the net sale proceeds to you. In each of these situations your ISA will no longer attract tax benefits.
- 12.4 This **Agreement** will continue, notwithstanding the transfer or closure of **your ISA** and/or **Account**, until all outstanding transactions and liabilities have been settled. **We** will carry out transactions in progress at the time of transfer or closure of **your ISA** and/or **Account** in the normal manner and will take reasonable steps to complete these within a reasonable time.
- 12.5 Once you have closed your ISA and/or Account there may still be small cash amounts representing income payments or tax reclaims which are subsequently credited to your ISA and/or Account. Where you have closed your ISA because you have transferred your ISA to another ISA manager, we will send that money to your new ISA manager. If you did not close your ISA by transferring to another ISA manager, or where you have transferred your ISA, your new ISA manager will not accept the money from us, or for direct holdings in the Account, if we hold your bank details for redemption payments then we will pay this money to your bank account.

If not, **we** may have to pay by cheque, in which case, if the cheque (or any replacement cheque which we may issue) is not cashed within a period of six years commencing on the date of the original cheque, **we** may, in certain circumstances, pay the money to charity (see section 9.7 above).

13. Death

Non-ISA

13.1 If you die, we will deal with the Units as instructed by your personal representative on production of certain documents as detailed at https://www. aberdeenpersonal.com/en-gb/log-in/abrdn-ukfunds-oeic-unit-trust/bereavement-process and/ or such other appropriate documentation as we may reasonably require. Alternatively your personal representative can contact 0345 113 6966 (UK) or +44 1268 44 5488 (International) to schedule a call with our dedicated Bereavement team to discuss the documents we will require.

Your personal representative must first prove that they have authority to give us this instruction. They may request us to sell the Units and transfer the net proceeds of the sales in cash or they can request that we transfer the Units to them.

- 13.2 If **you** die **your ISA** will continue to attract tax benefits until the earlier of the administration of **your** estate being finalised, the closure of the **ISA** or three years after death.
- 13.3 Under HMRC regulations, your spouse or civil partner is eligible for an additional Annual ISA Allowance, known as the Additional Permitted Subscription, when you die. The Additional Permitted Subscription is equal to the higher of the value of your ISA at the date of your death, or the value of your ISA on the date it stops being a continuing ISA (see section 13.2).

14. Bankruptcy

ISA

If we receive notification of your bankruptcy, the tax advantages of your ISA will cease in accordance with the Law. We will not accept any further subscriptions. The appointed trustee or official receiver will become the beneficial owner of the Units in your ISA. Any tax reclaimed on income received after the date on which the trustee or official receiver was appointed will be returned to HMRC.

15. Void ISAs

- 15.1 Where we have opened an ISA and discover that the Application Form was invalid and neither you nor we are able to resolve the reason for the invalidity, we will inform you that this has happened. We will close your ISA, sell the Units (in accordance with section 6 (Buying, Selling, and Switching Units)) and return the net sale proceeds to you. We will not charge you for doing this.
- 15.2 We will inform you if we are made aware that, by reason of any failure to satisfy the Law, your ISA is (or will be) void or no longer entitled to any tax exemptions. Where possible, we will also tell you if HMRC will be in touch with you.
- 15.3 If **your ISA** is made void, all income in respect of that subscription will be taxable and all the invalid subscription monies and/or **Units** and income must be removed from the **ISA**. Valid **ISAs** from previous **Tax Years** will be unaffected.

16. Charges

ISA

- 16.1 We currently do not apply any charges for services related to **your ISA**.
- 16.2 We may, in the future, introduce charges for our services (see section 25 (Changes to this Agreement)). Where any charges are payable to us for services related to your ISA, we may from time to time increase these by an amount that we, in good faith, consider not to be excessive having taken into account increases in our costs, profit margin (being in line with the market for these types of contracts

generally), the underlying value of the **Units**, any requirements of **Law** or the **FCA**, the time interval from the last alteration to **our** charges and any extra or additional administration which is reasonably required for the **ISA**.

ISA and Non-ISA

16.3 Charges are applied by us in our capacity as the AFM for providing and managing the Funds. These charges do not relate to the management of your Account and are specific to each Fund. As the AFM of the Funds, we reserve the right to increase, alter and/or introduce new charges relating to the Funds in accordance with the Law. You should read the Key Investor Information Document for each Class of the Fund(s) you have selected and the Prospectus to better understand what these charges are and how they can change.

16.3.1 Initial Charge

An initial charge may be applied by the **AFM** when **you** invest in a **Fund**. If an initial charge is taken, it will be deducted from the amount **you** intend to invest in the **Fund**, which will therefore reduce the number of **Units you** buy. Please refer to the relevant **Key Investor Information Document** of the **Class** of the **Fund you** have selected to see the current rate of the initial charge (if any). There is currently no initial charge for **Units** in the **Special Unit Class**.

16.3.2 Annual Management Charge

An annual management charge is payable to the **AFM** out of each **Fund** to pay for the services provided for managing each **Fund**. This charge accrues daily. Please refer to the **Prospectus** of the **Fund you** have selected to see the current rate of the annual management charge. There is currently no annual management charge for **Units** in the **Special Unit Class**.

16.3.3 Additional Expenses

The **AFM** may also deduct additional expenses from the value of assets of a **Fund** to cover certain costs incurred in managing the **Fund**, including, for example auditors fees, custodians fees, depositary or **trustee** fees and regulatory expenses. Please refer to the **Prospectus** relevant to the **Fund you** have selected for more information.

16.3.4 Dilution Adjustment

A dilution adjustment is a charge that the AFM may sometimes impose when **you** buy or sell **Units** in a **Fund** to protect the value of **Units** held by other investors in the **Fund**. A dilution adjustment will only be applied to a **Fund** that is "single-priced". Please refer to the **Prospectus** relevant to the **Fund you** have selected for more information on dilution adjustments.

- 16.4 We reserve the right to charge you for costs which are incurred in selling Units which we have bought for you but for which you fail to pay (see section 6.19). We also reserve the right. In exceptional circumstances, to charge you a fee for providing you with details of any Personal Data which we hold about you (see section 29 (Data Protection)).
- 16.5 We reserve the right to charge you for any additional client money statements that you request (see section 9.5).

17. Investment Restrictions And Risks

ISA and Non-ISA

- 17.1 Please read the **KIID(s)** for each **Class** and the **Prospectus** of the **Fund(s)** in which **you** invest.
- 17.2 Units are purchased (and subsequently held and sold) subject to the terms contained within the relevant Prospectus of the particular Fund in which you invest. The Prospectus explains that under certain circumstances we, as AFM of the Funds, may delay or suspend the sale and purchase of Units in a Fund. You may therefore not be able to buy or sell the affected Units for a period of time. For more information please refer to the Prospectus of the particular Fund in which you invest.
- 17.3 Investment markets may be subject to fluctuations, which might cause the value of the Units and any income from them to fall as well as rise. Accordingly, the value of the Units is not guaranteed by us and you may not always receive back the amount of the subscriptions you have invested. Investment in specialist markets or sectors, or in Funds with concentrated portfolios, will carry a greater risk of volatility. You should refer to the KIID for each Class of the Fund(s) in which you wish to invest, the Prospectus and speak to a financial adviser.

ISA

17.4 The Law requires the ISA to comply with certain investment restrictions which means that we may be required to Switch, Convert or sell the Units if the Law or a Fund changes. You will not be charged for any such action taken to comply with the Law.

18. Our Services And Duties

ISA and Non-ISA

- 18.1 We will provide you with the following services under this Agreement:
 - 18.1.1 Buying and selling the Units on your instructions, on an execution-only basis (that is without giving you any investment advice) in accordance with section 6 (Buying, Selling and Switching Units).

- 18.1.2 Holding any income arising from the Units that we have been unable to pay to you under section 7 (Income).
- 18.1.3 Keeping records of transactions and providing periodic statements (for more information see section 20 (Transaction Reporting and **Unit**holder Information)).
- 18.2 We may appoint an administrator and/or nominee to carry out some or all of our duties under this Agreement. We will satisfy ourselves that any person to whom we delegate our duties is competent and authorised to perform those duties. We remain responsible for any acts or omissions of those persons in relation to your Account.
- 18.3 We can carry out transactions in relation to the Units where we have a direct or indirect interest, for example where we are managing or arranging the Units you wish to buy, or we have done so in the past. We can act in these circumstances without advising you of our interest. However, we will always ensure that we comply with our duty of best execution when acting for you.
- 18.4 We have a conflicts of interest policy to identify and manage conflicts of interest or material interests as they arise in order to ensure fair treatment of customers. If a conflict of interest or material interest is identified, procedures and measures will be put in place to manage the conflict or material interest in such a way that ensures **you** are treated fairly, or where it is impractical to manage the conflict, it will be disclosed to **you**. A copy of **our** conflict of interest policy is available on request to **us in writing**.
- 18.5 We will communicate with you in English.
- 18.6 In the event that **we** transfer part of our business to another firm, we may also transfer all client money that we hold that relates to the business being transferred. If this is the case **we** will make sure that the firm that the business is being transferred to will either hold the client money in accordance with the Client Money Rules, or will apply adequate measures to protect these sums. If you wish any client money which belongs to you to be returned to you, it will be returned to you as soon as practicable, at your request. We will write to you within seven days of any transfer of business which includes a transfer of your client money informing you: whether or not the sums will be held in accordance with the Client Money Rules and if not how the sums being transferred will be held; the extent to which the sums transferred will be protected under any compensation scheme such as the Financial Services Compensation Scheme (details in Section 28, Compensation and in the Supplementary Information Document); and reminding you that you may opt to have the transferred sum returned to you as soon as practicable, at your request.

19. Ownership

Non-ISA

- 19.1 Where **you** invest in any **Funds** directly, **you** own the **Units**.
- 19.2 Title to the **Units** will be registered in **your** name.
- 19.3 You will not be given any certificates for the Units. Certificates or other documents evidencing ownership of the Units will be held by us. Details of your entry on the register are available on request.

ISA

- 19.4 You own the Units in your ISA. You are not allowed to transfer your rights to the Units to any other person. We will not recognise the interest or claim of any other person unless, by Law, we have to. For example, this means you cannot use any of the Units as security for any borrowing or other money that you owe. If you become incapable of managing your affairs we may allow a person appointed by a Court to manage your affairs to instruct us in relation to your ISA.
- 19.5 Title to the **Units** will be registered jointly in **our** name as manager of **your ISA** and **your** name in accordance with the **Law**. It will be made clear that the **Units** belong to **you** and not **us**. Such investments might not be identifiable by separate certificates, other physical documents of title, or otherwise.
- 19.6 You will not be given any certificates for the Units. Certificates or other documents evidencing ownership of the Units (including electronic records) will be held by us.

20. Transaction Reporting And Unitholder Information

- 20.1 We will provide you with statements every six months to 5 April and 5 October. The statements will normally be issued within twenty-five **Business Days** of these dates. The statements will include the value of the **Units** at close of business on the date of the statement and details of all transactions. The statements will not include any measure of performance. If you require additional copies of the statements you may request these from us in writing.
- 20.2 If **you** are registered for online access (see section 21 (Online Access)) **you** will be able to obtain information about **your Account** online, including reviewing any transactions which **you** have recently made.
- 20.3 If **you** ask **us** to do so, **we** will send **you** a copy of the annual reports and accounts of the **Fund(s)** in **your Account**.

- 20.4 We will automatically arrange for you to:
 - 20.4.1 be able to attend any meetings of a **Fund** in which **you** have chosen to invest and to vote at such meetings; and
 - 20.4.2 receive any other information issued to investors by that **Fund**.
- 20.5 You should check any statements we send you carefully and let us know immediately if there are any discrepancies or you have any queries.

21. Online Access

- 21.1 We are able to offer online access to help you administer and make payments to your Account.
 You need to register separately for online access. Additional terms and conditions (please refer to section 24) will apply in relation to the use of our online access. Once you have online access you will be able to obtain information on your Account.
- 21.2 You must tell us if you become aware of, or suspect any unlawful or unauthorised use of **our** online access facilities and provide details without delay.

22. Tax

ISA

- 22.1 We will contact HMRC on your behalf to make any appropriate claims relating to tax for your ISA. For these purposes, we may carry out appeals and agree, on your behalf, liabilities for and reliefs from tax. You do not have to pay tax on the income and capital gains of the Units in your ISA as long as we and you comply with the Law. This exemption may change in the future.
- 22.2 You should be aware that any description of tax reliefs in this Agreement refers to those that are currently applicable as at the date of issue and may change in the future. The description is only relevant to individuals subject to UK income tax and the value of the relief depends on your individual circumstances.

23. Limits Of Our Legal Responsibility To You For Loss

- 23.1 We will not be responsible for any loss or damages you may suffer because of:
 - 23.1.1 depreciation in the value of your Units;
 - 23.1.2 changes in market conditions; or
 - 23.1.3 any error or action taken or not taken by us, our administrator, any nominee or any other person acting on our behalf, unless the loss arises as a direct result of fraud, negligence or wilful default by us, our administrator, our nominee, our employees or agents.

- 23.2 We do not guarantee the future performance of any of the **Funds** in any market conditions.
- 23.3 We will not be in breach of this Agreement, and will not be responsible to you in any way, for any delay or failure to perform any of our obligations which is due to circumstances beyond our reasonable control. We will notify you as soon as possible if any such circumstances arise.
- 23.4 Nothing in this **Agreement** will exclude or limit **our** responsibility to **you** for:

23.4.1 death or personal injury caused by negligence;

23.4.2 fraud;

- 23.4.3 misrepresentation as to a fundamental matter; or
- 23.4.4 any legal responsibility to **you** which cannot be excluded or limited by **Law**.
- 23.5 Subject to any other paragraph in this section 23, where **we** make an error **we** will consider appropriate actions to remedy it, including:
 - 23.5.1 putting **you** in the position **you** would have been in had the error not occurred, which may include making corrective dealings;
 - 23.5.2 compensating **you** for any losses which **you** have suffered as a result of the error;
 - 23.5.3 taking no action, for example, where any loss is immaterial.

We will consider factors such as materiality, commerciality, fairness to **you** as **we**ll as the Law in assessing what (if any) action to take as a result of any error **we** make.

23.6 We, the administrator and any nominee will not be liable to you for any profit that we or they may make in connection with the **Units**.

24. Additional Limits Of Our Legal Responsibility For Use Of Online Access

- 24.1 If **you** are registered for online access (see section 21 (Online Access)) **we** will, in addition to the limits set out in section 23.1 above not be responsible for any loss (of any nature) **you** suffer because of:

25. Changes To This Agreement

- 25.1 We may change the terms of this Agreement (or issue a replacement set of terms and conditions in its place) from time to time to reflect changes in systems and processes, good industry practice, codes of practice, to comply with the Law or regulation (including decisions of the Financial Ombudsman Service), or to reflect changes that have been made to one or more of the Funds.
