Important information

The information in this document is not for general circulation and should not be considered an offer, or solicitation, to deal in the fund(s). The information is provided on a general basis for information purposes only, and is not to be relied on as investment, legal, tax or other advice, as it does not take into account the investment objectives, financial situation or particular needs of any specific investor.

The CPF interest rate for the Ordinary Account ('OA') is based on the legislated minimum interest of 2.5% per annum, or the 3-month average of major local banks' interest rates, whichever is higher. In addition, the CPF Board pays an extra interest rate of 1% per annum on the first \$60,000 of a CPF member's combined balances (with up to \$20,000 in the OA). CPF members aged 55 and above will also earn an additional 1% extra interest on the first \$30,000 of their combined balances (with up to \$20,000 in the OA). This is paid over and above the current extra 1% interest that is earned on the first \$60,000 of their combined balances. The first \$20,000 in the OA will not be allowed to be invested under the CPF Investment Scheme.
