**IMPORTANT INFORMATION
ACTION REQUIRED**

Dear Investor,

**ASI Diversified-Core Growth Fund
FUND CLOSURE NOTIFICATION**

What is happening?

We are writing to notify you of our decision to close the ASI Diversified-Core Growth Fund (the "Fund") on 25 November 2021 (the "Closure Date"). The largest investor has confirmed their intention to redeem their shareholding in the Fund, which constitutes a substantial proportion of the assets of the Fund. Small funds face a number of operating difficulties as they are unable to benefit from economies of scale. This may lead to problems in buying and selling assets at a reasonable price, which in turn may lead to compromised investment performance and proportionally higher costs.

Following consideration of the available options, we believe it is in the best interest of all shareholders to close the Fund, liquidate all of the underlying assets and return the proceeds to investors.

A timeline of events leading to the Fund's closure and a list of share classes are shown in Appendix One.

Impact on investors – action required

As an investor you have the options listed below, prior to the Closure Date.

Option A

You may redeem your holdings in the Fund (free of redemption charges) and you will receive your redemption proceeds within the usual timescales outlined in the Fund's prospectus, or switch into another fund (free from conversion charges) within the Aberdeen Standard Investments ("ASI") UK fund range (including other Multi-Asset Funds) prior to the Closure Date. More information regarding our UK range of funds can be found on our website www.aberdeenstandard.com or alternatively contact your advisor or usual ASI relationship manager. Please ensure you carefully read the Key Investor Information Document ("KIID") which includes the investment objectives and policies and fees applicable.

Option B

If you wish to remain invested in the Fund until the Closure Date no action is required from you. Redemption proceeds will be issued to you 3 business days after the Closure Date. If we hold validated bank details on file, we will pay you electronically. Otherwise, we will issue a cheque.

Please note that as the Fund is in the process of preparing to close, we will no longer accept any instructions to purchase additional shares in the Fund from 11.59 am on 11 November 2021. However, redemption instructions for the Fund will be processed as normal until 11.59 am on 24 November 2021.

Liquidation of portfolio

The Manager of the Fund will maintain the portfolio in line with its existing investment objective until nine business days prior to the Closure Date when the process of liquidating the Fund's assets will begin. This will mean that all or part of the portfolio will be invested in Sterling money market instruments, and cash, during these nine business days.

Expenses

We have agreed to meet the expenses of the closure of the Fund, including expenses of the auditors and other professional advisers. The only exception will be any transaction costs involved in liquidating the assets of the Fund. Therefore from the date of this letter, the redemption price will reflect anticipated transaction costs. The transaction costs are estimated to be around 0.11% of the net asset value (this includes for example bid offer spread, market impact, brokerage and taxes on transactions). In practice, these costs will be highly dependent on market conditions and the portfolio at the time of the liquidation, and may be higher or lower.

Regular Savings

If you regularly contribute to the Fund by direct debit, your last payment will be taken on 01 November 2021 unless you provide an instruction to the contrary, if you regularly save into any other funds then your direct debit will be reduced by the monthly amount you currently subscribe into this Fund. The reduced direct debit payment will be effective on 01 November 2021. Should you switch into another fund within the ASI UK Fund range you will need to submit a new direct debit instruction.
