Prepared on: 09/05/25

This Product Highlights Sheet is an important document.

- It highlights the key terms and risks of the abrdn SICAV I Emerging Markets Bond Fund (the "Sub-Fund") and complements the Singapore Prospectus (the "Prospectus")¹.
- It is important to read the Prospectus before deciding whether to purchase Shares in the Sub-Fund ("Shares"). If you do not have a copy, please contact the distributors in Singapore.
- You should not invest in Shares if you do not understand it or are not comfortable with the accompanying risks.
- If you wish to purchase Shares, you will need to make an application in the manner set out in the Prospectus.

| WHAT ARE YOU INVESTING IN? You are investing in a sub-fund of abrdn SICAV I (the "Company"), an open-ended investment company with the legal status of a SICAV incorporated in Luxembourg and qualifying as a UCITS under the Luxembourg law concerning undertakings for collective investment dated 17 December 2010. The Sub-Fund's investment objective is long-term total return. Income Shares (Class A MInc USD Shares and Class A MInc Hedged SGD Shares) will declare and distribute Dividends. Please note that dividends declared and distributed will reduce the Net Asset Values of the Income Shares. Accumulation Shares (Class A Acc USD Shares and Class A Acc Hedged SGD Shares) do not intend to declare any dividends. Accordingly, the investment income attributable to these Classes of Shares will be accumulated in their respective Net Asset Values. Hedged Share Classes (which will include "Hedged" and the relevant currency in their name) seek to mitigate against fluctuations in the exchange rate of the hedged currency of | | | | Refer to "abrdn SICAV I" and "The Sub- Funds" of the Prospectus for further information on features of the product. |
