**PROXY STATEMENT**

---

**For the Annual Meeting of Shareholders  
to be held on April 1, 2021**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Fund's Board of Directors (the "Board," with members of the Board being referred to as "Directors") to be voted at the Annual Meeting of Shareholders of the Fund (the "Meeting") to be held in a virtual meeting format, on Thursday, April 1, 2021 and at any adjournments or postponements thereof. A Notice of Annual Meeting of Shareholders and a proxy card (the "Proxy Card") accompany this Proxy Statement. This Proxy Statement is first being mailed to shareholders on or about February 23, 2021.

All properly executed proxies received prior to the Meeting will be voted at the Meeting, or at any adjournments or postponements thereof, in accordance with the instructions marked on the Proxy Card. Unless instructions to the contrary are marked on the Proxy Card, proxies received will be voted **"FOR"** the Proposal (as defined below). The persons named as proxy holders on the Proxy Card will vote in their discretion on any other matters that may properly come before the Meeting or any adjournments or postponements thereof. Any Proxy Card may be revoked at any time prior to its exercise by submitting a properly executed, subsequently dated Proxy Card, giving written notice to Megan Kennedy, Secretary of the Fund, 1900 Market Street, Suite 200, Philadelphia, Pennsylvania 19103, or by virtually attending the Meeting and voting online. Shareholders may authorize proxy voting by using the enclosed Proxy Card along with the enclosed envelope with pre-paid postage. Shareholders may also authorize proxy voting by telephone or through the internet by following the instructions contained on their Proxy Card. Shareholders do not have dissenters' rights of appraisal in connection with any of the matters to be voted on by the shareholders at the Meeting.

The presence at the Meeting, virtually or by proxy, of the shareholders entitled to cast a majority of all the votes entitled to be cast at the Meeting on any matter shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum at a Meeting, withheld votes and broker 'non-votes' (that is, proxies from brokers or nominees indicating that such persons have not received instructions from the beneficial owner or other persons entitled to vote shares on a particular proposal with respect to which the brokers or nominees do not have discretionary power) will be treated as shares that are present at the Meeting.

With regard to approval of the Proposal, the affirmative vote of a majority of the votes cast of common stock outstanding and entitled to vote thereon at a meeting at which a quorum is present is necessary for the election of

a Director, provided that, if the number of nominees for Director, as determined by the Secretary of the Fund, exceeds the number of Directors to be elected, the Directors shall be elected by the vote of a plurality of the shares represented in person or by proxy at any such meeting and entitled to vote on the election of Directors. For purposes of the election of Directors, withheld votes and broker ‘non-votes’ will not be counted as votes cast and will have no effect on the result of the vote.

The Board has adopted certain corporate governance guidelines for the Fund which became effective September 30, 2015 (the “Corporate Governance Guidelines”). The corporate governance guidelines include (i) a resignation policy which generally provides that an Independent Director, in an uncontested election, who does not receive a majority of votes “FOR” his or her election at a meeting of shareholders shall be deemed to have tendered his or her resignation, subject to a Board’s acceptance or rejection of such resignation, which Board determination will be disclosed publicly to Fund shareholders; and (ii) a policy requiring that after an Independent Director has served on the Board for three consecutive terms of three years following the later of (x) engagement of the existing investment adviser of the Fund or (y) the Independent Director’s election to the Board, the Independent Director will be put forth for consideration by shareholders annually. The failure to obtain a majority of votes cast will trigger the resignation policy described above.

If a quorum is not present virtually or by proxy at the time the Meeting is called to order, the chairman of the Meeting or the holders of a majority of those shares present in person or by proxy will have the power to adjourn the Meeting, without notice other than an announcement at the Meeting, until the requisite number of shares entitled to vote at the Meeting is present. Absent the establishment of a subsequent record date and the giving of notice to the holders of record thereon, the adjourned Meeting must take place not more than one hundred twenty (120) days after the record date. At such adjourned Meeting, any business may be transacted which might have been transacted at the original Meeting. If a quorum is present, a shareholder vote may be taken on one or more of the proposals properly brought before the Meeting prior to any adjournment if sufficient votes have been received and it is otherwise appropriate.

We will admit to the Meeting (1) all shareholders of record on February 16, 2021 (the “Record Date”), (2) persons holding proof of beneficial ownership at the Record Date, such as a letter or account statement from the person’s broker, (3) persons who have been granted proxies, and (4) such other persons that we, in our sole discretion, may elect to admit. If you hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend the Annual Meeting. To register you must submit proof of your proxy power (legal proxy) reflecting your Fund holdings along with your name and email address to Computershare Fund Services, the Fund’s proxy tabulator. You may forward an email from your intermediary or attach an image of your legal proxy to [shareholdermeetings@computershare.com](mailto:shareholdermeetings@computershare.com). Requests for registration for the Annual Meeting must be received no later than 5:00 p.m., Eastern Time, on March 23, 2021. You will receive a confirmation email from Computershare of your registration and a control number that will allow you to vote at the Annual Meeting.

The Board has fixed the close of business on February 16, 2021 as the Record Date for the determination of shareholders entitled to notice of, and to vote at, the Meeting and at any adjournment or postponement thereof. Shareholders on the Record Date for the Fund will be entitled to one vote for each share held.

The Fund has one class of shares of capital stock, par value \$0.001 per share. Each share of the Fund is entitled to one vote at the Fund’s Annual Meeting, and fractional shares are entitled to a proportionate share of one vote. On the Record Date, the following number of shares of the Fund were issued and outstanding:

AEF	50,751,778 common shares

## ADDITIONAL INFORMATION ABOUT THE DIRECTORS

The Board believes that each Director's experience, qualifications, attributes and skills on an individual basis and in combination with those of the other Directors lead to the conclusion that the Directors possess the requisite experience, qualifications, attributes and skills to serve on the Board. The Board believes that the Directors' ability to review critically, evaluate, question and discuss information provided to them; to interact effectively with the Fund's investment adviser, Aberdeen Asset Managers Limited ("AAML"), other service providers, counsel and independent auditors; and to exercise effective business judgment in the performance of their duties, support this conclusion. The Board has also considered the contributions that each Director can make to the Board and to the Fund.

A Director's ability to perform his or her duties effectively may have been attained through the Director's executive, business, consulting, and/or legal positions; experience from service as a Director of the Fund and other funds/portfolios in the Aberdeen complex, other investment funds, public companies, or non-profit entities or other organizations; educational background or professional training or practice; and/or other life experiences. In this regard, the following specific experience, qualifications, attributes and/or skills apply as to each Director in addition to the information set forth in the table above: Mr. Rappaport—investment management experience as partner at investment firms, accounting experience and other board experience; Ms. Maasbach—financial and research analysis experience in and covering the Asia region and experience in world affairs; Mr. Maher—experience as an officer in the financial services industry, including his experience as a chief financial officer and chief executive officer; and Mr. Porter—business background and executive management and financial expertise as vice president and chief financial officer of public and private entities and director of other funds within the Aberdeen fund complex.

The Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. In its periodic self-assessment of the effectiveness of the Board, the Board considers the complementary individual skills and experience of the individual Directors in the broader context of the Board's overall composition so that the Board, as a body, possesses the appropriate (and appropriately diverse) skills and experience to oversee the business of the Fund. References to the qualifications, attributes and skills of Directors are presented pursuant to disclosure requirements of the Securities and Exchange Commission ("SEC"), do not constitute holding out the Board or any Director as having any special expertise or experience, and shall not impose any greater responsibility or liability on any such person or on the Board by reason thereof.

## **BOARD AND COMMITTEE STRUCTURE**

The Board of Directors of the Fund is composed of four Directors who are not "interested persons" (as that term is defined in the Investment Company Act of 1940 ("1940 Act")) of the Fund, its investment adviser (each an "Independent Director," and collectively, the "Independent Directors"). The Fund's bylaws provide that the Board of Directors to be elected by holders of a Fund's common stock shall be divided into three classes, as nearly equal in number as possible, each of which will serve for three years, with one class being elected each year.

The Board has appointed Mr. Rappaport, an Independent Director, as Chairman. The Chairman presides at meetings of the Directors, participates in the preparation of the agenda for meetings of the Board, and acts as a liaison between the Directors and management between Board meetings. Except for any duties specified herein, the designation of the Chairman does not impose on such Director any duties, obligations or liability that is greater than the duties, obligations or liability imposed on such person as a member of the Board, generally.

The Board holds regular quarterly meetings each year to consider and address matters involving the Fund. The Board also may hold special meetings to address matters arising between regular meetings. The Independent Directors also meet outside the presence of management in executive session at least quarterly and have engaged separate, independent legal counsel to assist them in performing their oversight responsibilities.

The Board has established a committee structure that includes an Audit and Valuation Committee and a Nominating Committee (each discussed in more detail below) to assist the Board in the oversight and direction of the business affairs of the Fund, and from time to time may establish informal ad hoc committees or working groups to review and address the practices of the Fund with respect to specific matters. The Committee system facilitates the timely and efficient consideration of matters by the Directors, and facilitates effective oversight of compliance with legal and regulatory requirements and of the Fund's activities and associated risks. The standing Committees currently conduct an annual review of their charters, which includes a review of their responsibilities and operations.

The Nominating Committee and the Board as a whole also conduct an annual self-assessment of the performance of the Board, including consideration of the effectiveness of the Board's Committee structure. The Committee is comprised entirely of Independent Directors. Each Committee member is also "independent" within the meaning of the NYSE American listing standards. The Board reviews its structure regularly and believes that its leadership structure, including having a super-majority of Independent Directors, coupled with an Independent Director as Chairman, is appropriate because it allows the Board to exercise informed and independent judgment over the matters under its purview and it allocates areas of responsibility among the Committees and the full Board in a manner that enhances efficient and effective oversight.

### *Audit and Valuation Committee*

The Fund's Audit and Valuation Committee consists of all the Independent Directors of the Fund, was established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), is responsible for the selection and engagement of the Fund's independent registered public accounting firm (subject to ratification by the Fund's Independent Directors), pre-approves and reviews both the audit and non-audit work of the Fund's independent registered public accounting firm, and reviews compliance of the Fund with regulations of the SEC and the Internal Revenue Service, and other related matters. The members of the Fund's Audit and Valuation Committee are Messrs. C. William Maher, Rahn K. Porter and Steven N. Rappaport and Ms. Nancy Yao Maasbach.

The Board has adopted an Audit and Valuation Committee Charter for its Audit and Valuation Committee, the current copy of which is available on the Fund's website at <https://www.aberdeenaef.com/>.

The Audit and Valuation Committee oversees the activities of the Fund's Pricing Committee and performs the responsibilities assigned to the Audit and Valuation Committee in the Fund's Valuation and Liquidity Procedures, such as overseeing the implementation of the Valuation and Liquidity Procedures. The Board has delegated to the Audit and Valuation Committee the responsibility of determining the fair value of the Fund's securities or other assets in situations set forth in the Valuation and Liquidity Procedures.

#### *Nominating Committee; Consideration of Potential Director Nominees*

The Fund's Nominating Committee recommends nominations for membership on the Board and reviews and evaluates the effectiveness of the Board in its role in governing the Fund and overseeing the management of the Fund. It evaluates candidates' qualifications for Board membership and, with respect to nominees for positions as Independent Directors, their independence from the Fund's Investment Adviser and other principal service providers. The Nominating Committee generally meets twice annually to identify and evaluate nominees for director and makes its recommendations to the Board at the time of the Board's December meeting. The Nominating Committee also periodically reviews director compensation and will recommend any appropriate changes to the Board. The Nominating Committee also reviews and may make recommendations to the Board relating to the effectiveness of the Board in carrying out its responsibilities in governing the Fund and overseeing the management of the Fund. The Board has adopted a Nominating Committee Charter, a copy of which is available on the Fund's website <https://www.aberdeenaef.com/>. The members of the Fund's Nominating Committee are Messrs. C. William Maher, Rahn Porter and Steven N. Rappaport and Ms. Nancy Yao Maasbach.

The Nominating Committee may take into account a wide variety of factors in considering prospective director candidates, including (but not limited to): (i) availability (including availability to attend to Board business on short notice) and commitment of a candidate to attend meetings and perform his or her responsibilities on the Board; (ii) relevant industry and related experience; (iii) educational background; (iv) reputation; (v) financial expertise; (vi) the candidate's ability, judgment and expertise; (vii) overall diversity of the Board's composition; and (viii) commitment to the representation of the interests of the Fund and its shareholders. The Nominating Committee also considers the effect of any relationships beyond those delineated in the 1940 Act that might impair independence, such as business, financial or family relationships with the Investment Adviser or its affiliates, as appropriate. The Nominating Committee will consider potential director candidates, if any, recommended by the Fund shareholders provided that the proposed candidates: (i) satisfy any minimum qualifications of the Fund for its directors, and (ii) are not "interested persons" of the Fund, as that term is defined in the 1940 Act; and (iii) are "independent" as defined in the listing standards of any exchange on which the Fund's shares are listed.

While the Nominating Committee has not adopted a particular definition of diversity or a particular policy with regard to the consideration of diversity in identifying candidates, when considering a candidate's and a Board's diversity, the Nominating Committee generally considers the manner in which each candidate's leadership, independence, interpersonal skills, financial acumen, integrity and professional ethics, educational and professional background, prior director or executive experience, industry knowledge, business judgment and specific experiences or expertise would complement or benefit the Board and, as a whole, contribute to the ability of the Board to oversee the Fund. The Nominating Committee may also consider other factors or attributes as they may determine appropriate in their judgment. The Nominating Committee believes that the significance of each candidate's background, experience, qualifications, attributes or skills must be considered in the context of the Board as a whole.

#### *Board Oversight of Risk Management*

The Fund is subject to a number of risks, including, among others, investment, compliance, operational and valuation risks. Risk oversight forms part of the Board's general oversight of the Fund and is addressed as part of various Board and Committee activities. The Board has adopted, and periodically reviews, policies and procedures

designed to address these risks. Different processes, procedures and controls are employed with respect to different types of risks. Day-to-day risk management functions are subsumed within the responsibilities of the Fund's investment advisers, who carry out the Fund's investment management and business affairs and other service providers in connection with the services they provide to the Fund. Each of AAML, Aberdeen Standard Investments Inc. ("ASII"), and other service providers have their own, independent interest in risk management, and their policies and methods of risk management will depend on their functions and business models. As part of its regular oversight of the Fund, the Board, directly and/or through a Committee, interacts with and reviews reports from, among others, the investment advisers and the Fund's other service providers (including the Fund's transfer agent), the Fund's Chief Compliance Officer, the Fund's independent registered public accounting firm, legal counsel to the Fund, and internal auditors, as appropriate, relating to the operations of the Fund. The Board also requires the investment advisers to report to the Board on other matters relating to risk management on a regular and as-needed basis. The Board recognizes that it may not be possible to identify all of the risks that may affect the Fund or to develop processes and controls to eliminate or mitigate their occurrence or effects. The Board may, at any time and in its discretion, change the manner in which it conducts risk oversight.

#### *Board and Committee Meetings in Fiscal Year 2020*

During the fiscal year ended December 31, 2020, the Board held four regular meetings and two special meetings. During the fiscal year, each continuing Director attended at least 75% of the aggregate number of meetings of the Board and of the Committees of the Board on which he or she served.

#### **Director Attendance at Annual Meetings of Shareholders**

The Fund has not established a formal policy with respect to Director attendance at annual meetings of shareholders. Messrs. Porter and Rappaport attended the 2020 Annual Meeting of Shareholders telephonically for the Fund.

### **REPORTS OF THE AUDIT AND VALUATION COMMITTEE; INFORMATION REGARDING THE FUND'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit and Valuation Committee has selected, and the Fund's Independent Directors have ratified the selection of, KPMG LLP ("KPMG"), located at 1601 Market Street, Philadelphia, PA 19103, an independent registered public accounting firm, to audit the financial statements of the Fund for the fiscal year ending December 31, 2020 and December 31, 2021. Representatives from KPMG are not expected to attend the Meeting to make a statement or respond to questions from shareholders. However, such representatives are expected to be available by telephone to respond for questions raised by shareholders, if any, during the Meeting.

The Audit and Valuation Committee has received from KPMG the written disclosures and the letter required by the Public Company Accounting Oversight Board regarding KPMG's communications with the Audit and Valuation Committee concerning independence, and have discussed with KPMG its independence. The Audit and Valuation Committee will meet with Fund management to discuss, among other things, the Fund's audit financial statements for the fiscal year ended December 31, 2020, in February 2021.

The following table sets forth the aggregate fees billed for professional services rendered by KPMG during the Fund’s two most recent fiscal years ended December 31:

	<u>2020</u>	<u>2019</u>
Audit Fees	\$60,372	\$60,000
Audit-Related Fees	\$ 0	\$ 0
Tax Fees	\$11,740	\$11,620
All Other Fees	\$ 0	\$ 0
Total	\$72,112	\$71,620

The aggregate fees billed by KPMG for non-audit services rendered to the Fund, AAML and any Covered Service Providers for the fiscal year ended December 31, 2020 was \$176,055 and for the fiscal year ended December 31, 2019 was \$612,437.

All of the services described in the table above were pre-approved by the Audit and Valuation Committee.

The Audit and Valuation Committee has adopted an Audit and Valuation Committee Charter that provides that the Audit and Valuation Committee shall annually select, retain or terminate, and recommend to the Independent Directors and to the full Board of Directors for their ratification, the selection, retention or termination, the Fund’s independent auditor and, in connection therewith, evaluate the terms of the engagement (including compensation of the auditor) and the qualifications and independence of the independent auditor, including whether the independent auditor provides any consulting, auditing or tax services to the Investment Adviser, and receive the independent auditor’s specific representations as to its independence, delineating all relationships between the independent auditor and the Fund, consistent with the Independent Standards Board (“ISB”) Standard No. 1. The Audit and Valuation Committee Charter also provides that the Committee shall review in advance, and consider approval of, any and all proposals by Fund management or the Investment Adviser that the Fund, Investment Adviser or their affiliated persons, employ the independent auditor to render “permissible non-audit services” to the Fund and to consider whether such services are consistent with the independent auditor’s independence.

The Audit and Valuation Committee has considered whether the provision of non-audit services that were rendered to the Investment Adviser, and any entity controlling, controlled by, or under common control with these entities that provides ongoing services to the Fund that were not pre-approved pursuant to paragraph (c)(7)(ii) of Rule 2-01 of Regulation S-X is compatible with maintaining the principal accountant’s independence and has concluded that it is independent.
