Dear Investor,

ASI Diversified-Core Growth Fund - FUND CLOSURE NOTIFICATION

What is happening?

We are writing to notify you of our decision to close the ASI Diversified-Core Growth Bond Fund (the "Fund") on 25 November 2021 (the "Closure Date"). The largest investor has confirmed their intention to redeem their shareholding in the Fund, which constitutes a substantial proportion of the assets of the Fund. Small funds face a number of operating difficulties as they are unable to benefit from economies of scale. This may lead to problems in buying and selling assets at a reasonable price, which in turn may lead to compromised investment performance and proportionally higher costs.

Following consideration of the available options, we believe it is in the best interest of all shareholders to close the Fund, liquidate all of the underlying assets and return the proceeds to investors.

A timeline of events leading to the Fund's closure and a list of share classes are shown in Appendix One.

Impact on ISA investors – action required

As an ISA investor you have the options listed below, prior to the Closure Date.

Option A

You can switch your ISA holding into another fund (free from conversion charges) that is available to invest through your ISA within the Aberdeen Standard Investments ("ASI") UK fund range (including other Multi-Asset Funds) prior to the Closure Date. More information regarding our UK range of funds can be found on our website www.aberdeenstandard.com or alternatively contact your advisor or usual ASI relationship manager. Please ensure you carefully read the Key Investor Information Document ("KIID") which includes the investment objectives and policies and fees applicable.

Option B

You can transfer your ISA holding to another ISA Manager prior to the Closure Date. If you choose this option, you will need to contact your chosen ISA Manager in advance as transferring ISA holdings between ISA Managers can take up to 30 days. Please note we must receive instructions from your chosen ISA Manager by 24 November 2021. Please note that any subscriptions made in the current tax year will need to be transferred in full as it is not possible to transfer only part of a current tax year ISA. If you invest in other ASI UK funds in your ISA, and you choose to transfer your holding to another ISA manager, your entire ISA holding will transfer.

Option C

You can redeem your holding in the Fund (free from redemption charges), and receive your redemption proceeds within the usual timescales outlined in the Fund's prospectus, and withdraw the cash prior to the Closure Date. If you choose this option, it will be treated as a withdrawal from your ISA and you may lose your ISA tax status.

Aberdeen Standard Fund Managers Limited is authorised and regulated by the Financial Conduct Authority.

Option D

You may decide to do nothing. Please refer to the paragraph below "What happens if you do nothing".

Please note that as the Fund is in the process of preparing to close, we will no longer accept any instructions to purchase additional shares in the Fund from 11.59 am on 11 November 2021. However, redemption instructions for the Fund will be processed as normal until 11.59 am on 24 November 2021.

What happens if you do nothing?

If we have not received any instructions from you by 11.59am on 24 November 2021 your ISA holding in this Fund will be switched into the ASI Sterling Money Market Fund (our lowest risk managed fund within our ISA fund range). Please note, as stated below, we do not provide investment advice and the switch into the ASI Sterling Money Market Fund is purely to maintain your ISA tax status. Any other fund holdings within your ISA will be unaffected. Please find enclosed the KIID for the ASI Sterling Money Market Fund. The share class details you would be invested in are detailed in the table below.

Name of Fund	ASI Sterling Money Market Fund
Share class	A Acc
Annual Management Charge	0.20%
ISIN	GB00B1BW3H93

Liquidation of portfolio

The Manager of the Fund will maintain the portfolio in line with its existing investment objective until nine business days prior to the Closure Date when the process of liquidating the Fund's assets will begin. This will mean that all or part of the portfolio will be invested in Sterling money market instruments, and cash, during these nine business days.

Expenses

We have agreed to meet the expenses of the closure of the Fund, including expenses of the auditors and other professional advisers. The only exception will be any transaction costs involved in liquidating the assets of the Fund. Therefore from the date of this letter, the redemption price will reflect anticipated transaction costs. The anticipated transaction costs are estimated to be around 0.11% of the net asset value (this includes for example bid offer spread, market impact, brokerage and taxes on transactions). In practice, these costs will be highly dependent on market conditions and the portfolio at the time of the liquidation, and may be higher or lower.

Regular Savings

If you regularly contribute to the Fund by direct debit, your last payment will be taken on 01 November 2021 unless you provide an instruction to the contrary, if you regularly save into any other funds then your direct debit will be reduced by the monthly amount you currently subscribe into this Fund. The reduced direct debit payment will be effective on 01 November 2021. Should you switch into another fund within the ASI UK Fund range, including a switch into the ASI Sterling Money Market Fund, you will need to submit a new direct debit instruction.

A redemption or switch of your investment to a non-ISA eligible investment on or before the Closure Date could result in future tax filing obligations and you may have to pay tax on any gain you may make. We do not provide investment advice and we strongly recommend that you seek advice from a person who is authorised under the Financial Services and Markets Act 2000 to provide investment advice so that you understand how these changes affect you and your investment and your tax position.

Yours faithfully,

Aron Mitchell, Director
Aberdeen Standard Fund Managers Limited

We may record telephone calls for training purposes and to improve our service to you.
