Dear Investor,

ASI Financial Equity Fund - FUND CLOSURE NOTIFICATION

What is happening?

We are writing to notify you of our decision to close the ASI Financial Equity Fund (the "Fund") on 29 November 2021 (the "Closure Date"). The Fund has not attracted the levels of inflows anticipated and has experienced a gradual decline in its net asset value over the past few years to its current net asset value of approximately GBP 53 million as at August 2021 which means that the Fund is no longer considered to be commercially viable.

Following consideration of the available options, we believe it is in the best interest of all shareholders to close the Fund, liquidate all of the underlying assets and return the proceeds to investors.

A timeline of events leading to the Fund's closure and a list of share classes are shown in Appendix One.

Impact on investors – action required

As an investor you have the options listed below, prior to the Closure Date.

Option A

You may redeem your holdings in the Fund (free of redemption charges) and you will receive your redemption proceeds within the usual timescales outlined in the Fund's prospectus, or switch into another fund (free from conversion charges) within the Aberdeen Standard Investments ("ASI") UK fund range (including other Equity Funds) prior to the Closure Date. More information regarding our UK range of funds can be found on our website www.aberdeenstandard.com or alternatively contact your advisor or usual ASI relationship manager. Please ensure you carefully read the Key Investor Information Document ("KIID") which includes the investment objectives and policies and fees applicable.

Option B

If you wish to remain invested in the Fund until the Closure Date no action is required from you. Redemption proceeds will be issued to you three business days after the Closure Date. If we hold validated bank details on file, we will pay you electronically. Otherwise, we will issue a cheque.

Please note that as the Fund is in the process of preparing to close, we will no longer accept any instructions to purchase additional shares in the Fund from 11.59 am on 15 November 2021. However, redemption instructions for the Fund will be processed as normal until 11.59 am on 26 November 2021.

Liquidation of portfolio

The Manager of the Fund will maintain the portfolio in line with its existing investment objective until five business days prior to the Closure Date when the process of liquidating the Fund's assets will begin. This will mean that all or part of the portfolio will be invested in Sterling money market instruments, and cash, during these five business days.

Expenses

We have agreed to meet the expenses of the closure of the Fund, including expenses of the auditors and other professional advisers. The only exception will be any transaction costs involved in liquidating the assets of the Fund. Therefore from the date of this letter, the redemption price will reflect anticipated transaction costs. The transaction costs are estimated to be around 0.12% of the net asset value (this includes for example bid offer spread, market impact, brokerage and taxes on transactions). In practice, these costs will be highly dependent on market conditions and the portfolio at the time of the liquidation, and may be higher or lower.

Regular Savings

If you regularly contribute to the Fund by direct debit, your last payment will be taken on 01 November 2021. Unless you provide an instruction to the contrary, if you regularly save into any other funds then your direct debit will be reduced by the monthly amount you currently subscribe into this Fund. The reduced direct debit payment will be effective on 01 November 2021. Should you switch into another fund within the ASI UK Fund range you will need to submit a new direct debit instruction.

A redemption or switch of your investment on or before the Closure Date could result in future tax filing obligations and you may have to pay tax on any gain you may make. We do not provide investment advice and we strongly recommend that you seek advice from a person who is authorised under the Financial Services and Markets Act 2000 to provide investment advice so that you understand how these changes affect you and your investment and your tax position.

Yours faithfully,
