**IMPORTANT INFORMATION – abrdn Diversified Growth Fund
FUND MERGER PROPOSAL – ACTION REQUIRED**

Dear Investor,

Proposed merger of the abrdn Diversified Growth Fund, a sub-fund of abrdn Unit Trust I (the “Merging Fund”) into the abrdn Diversified Income Fund which as of 17 August 2023 will be renamed as the abrdn Diversified Growth and Income Fund, a sub-fund of abrdn OEIC I (the “Continuing Fund”)

You are invested in the Merging Fund, so please read this letter carefully as it contains important information regarding a proposed merger in respect of the Merging Fund. Having read the letter, you may wish to consult with your financial adviser before taking any action. In this letter, unless the context requires otherwise, the terms shall have the meaning set out in the Glossary of the Circular (as defined below).

We, abrdn Fund Managers Limited (“abrdn”), are writing to give you details of our proposal to merge the Merging Fund into the Continuing Fund. We refer to our proposal as the “Merger Proposal”.

As a Unitholder in the Merging Fund we are seeking your approval of the Merger Proposal which is outlined below. The enclosed ‘Information and Notice of Meeting to Unitholders’ contains a Scheme of Arrangement which sets out the terms and conditions of the merger and provides further detailed information about the Merger Proposal, and how you can vote on the Merger Proposal (the “Circular”).

If you have any questions on the Merger Proposal, please call us on 0345 113 6966 or +44 (0) 1268 44 5488 if outside the UK. We are here between 9.00 am and 5.30 pm (UK time), Monday to Friday. Calls may be monitored and/or recorded to protect both you and us and help with our training. Please note that while we will be able to answer general questions on this letter and the Circular, we can’t provide financial advice.

Background to the Merger Proposal

We have undertaken a comprehensive review of our UK authorised fund range with the intention of offering better outcomes to investors. Funds were reviewed to identify those having similar investment objectives, investment policies and risk profiles. During the course of the review, abrdn has considered investor impact and outcomes. The primary purpose of the review is to lead to a smaller, simplified UK authorised fund range, with the aim of having a clearer offering to investors, concentrating on our core investment management capabilities and allowing a greater focus on the funds which remain to ensure that we can offer the best outcome to investors. The review identified the Merging Fund and the Continuing Fund as similar funds and therefore it is proposed to merge the Funds.

A number of updates in addition to the change of name as mentioned earlier in this letter will be made to the Continuing Fund on 17 August 2023, including to its investment objective and investment policy such as removing the implied focus on income generation and ensuring it is clear that the Continuing Fund focuses on generating both capital growth as well as income. These changes will not materially impact how the Continuing Fund is managed, its performance target, nor its Risk Profile and Synthetic Risk and Reward Indicator (a measure of fund risk) as set out in the Key Investor Information Document. The table below reflects a comparison of the two Funds based on the changes going live on 17 August 2023.

Comparison of the Merging Fund and the Continuing Fund

Investment Objectives	<p>The Merging Fund aims to generate a positive return through capital growth and some income over the long term (5 years or more) by investing in a globally diversified portfolio of assets whilst reducing the risk of losses.</p> <p>The Continuing Fund similarly aims to generate a positive return through capital growth and income over the long term (5 years or more) by investing in a globally diversified portfolio of assets whilst reducing the risk of losses.</p>
Investment Policies	<p>Both Funds will invest globally in a range of asset classes, derivatives, money-market instruments and cash and have the same investment policy regarding permitted securities. The management process for selecting securities is similar as both Funds are actively managed and conduct extensive research to identify the most appropriate type of investment for each asset class. The Continuing Fund also selects individual holdings depending on their prospects for growth and income and/or creditworthiness relative to market expectations, given the anticipated future economic and business conditions.</p>
Asset Similarity	<p>There is a high degree of crossover in the assets held by the Funds and the permitted use of derivatives.</p> <p>The two Funds are subject to different UK regulatory regimes: the Merging Fund is a Non-UCITS retail scheme ("NURS") while the Continuing Fund is a UCITS. In our view, the UCITS regime is nevertheless appropriate for the Merging Fund's investor base as</p>

	while the NURS regulatory regime has fewer investment and borrowing restrictions, the Merging Fund has, for all practical purposes, been managed as a UCITS fund, thereby not utilising the additional borrowing and investment powers available to a NURS fund. There will therefore be no impact to investors as a result of this change.
Benchmark and Performance Target	Both Funds are managed to the same performance target against the same benchmark.
Risk Profile and Synthetic Risk and Reward Indicator as set out in the NURS Key Investor Information Document/Key Investor Information Document	These are the same for both Funds.
Performance History	The Funds have similar performance track records.
Ongoing Costs	The ongoing costs in the Continuing Fund will be as at the Effective Date the same or lower than the Merging Fund, depending on the Share Class.

Due to these similarities, we believe that the Merger Proposal will enable investors in both Funds to realise the benefits of economies of scale, which will allow fund expenses to be spread over a larger pool of assets, and in turn, is expected to reduce the expenses paid per investor.

A comparison of the principal features of the Merging Fund and Continuing Fund including a comparison of the investment objectives and policies is set out in Appendix 3 of the Circular. The Shares in the Continuing Fund may be subject to higher investment minimum levels than the Units in the Merging Fund. Where this is the case, these higher investment minimum levels will be waived for unitholders moving from the Merging Fund to the Continuing Fund, such that unitholders will continue to be subject to the investment minimum levels of the Merging Fund. A comparison of the investment minimum levels for both Funds is set out in Appendix 3 of the Circular. Details of the past performance of the Merging Fund and the Continuing Fund is set out in Appendix 4 of the Circular.

Any direct costs relating to the merger will be paid for by abrdn, as set out in paragraph 12.4 of Appendix 1 of the Circular. However, in advance of the merger, the holdings in the Merging Fund will be bought and sold so the portfolio aligns to the strategy of the Continuing Fund, and the cost of this rebalancing exercise will be borne by unitholders in the Merging Fund that haven't chosen to redeem or switch their investments by 12 October 2023. We estimate this cost to be 0.10% of the value of the Merging Fund (i.e. a cost of £10 for every £10,000 held). In practice, these costs will be dependent on market conditions and the respective portfolios at the point of rebalancing and may be higher or lower. Please refer to paragraph 12.3 of Appendix 1 of the Circular for further details on the treatment of costs post-merger.

Proposed Changes

If investors approve the Merger Proposal, the Merging Fund will be merged with the Continuing Fund, and this is currently planned for 27 October 2023.

The Merger Proposal involves the exchange of assets in the Merging Fund for Shares in the Continuing Fund so investors of the Merging Fund will become shareholders in the Continuing Fund. The Units you hold in the Merging Fund will therefore be exchanged for equivalent Shares in the Continuing Fund. We have set out in

Appendix 1 of the Circular the mapping of the Unit Classes in the Merging Fund and the Share Class in which you will receive New Shares in the Continuing Fund.

We do not anticipate that there will be any tax implications as a result of the Merger Proposal for UK unitholders. For non-UK unitholders please refer to the Circular for further information.
