

Terms and Conditions

Wrap ISA and Wrap Personal Portfolio

abrdn.com

About these Terms and Conditions

These terms govern your relationship with **Standard Life Savings**, a company authorised and regulated by the **FCA** which is part of the **abrdn group**, if **you** decide to open a **Wrap ISA** and/or a **Wrap Personal Portfolio**. Words in bold have a particular meaning when **we** use them in **these terms**. The meaning of these words can be found in the glossary at the end of **these terms**.

These two **wrap products** are different ways to hold **investments**, some of which can be held in a tax efficient wrapper, called an **ISA**, up to the relevant **ISA maximum subscription limits**, provided the **investments** are within the scope of the **ISA regulations**. The **Wrap Personal Portfolio**, however, is a different way to hold **investments**, and may be complementary to a **Wrap ISA**, for example, where **you** have exceeded the **ISA maximum subscription limits** and/or for holding **investments** which the **ISA regulations** exclude. Your **financial adviser** will be able to give **you** more information on how best to use these two **wrap products**, either separately, if **you** subscribe to one of them only, or together, if **you** subscribe to both. **We** no longer accept applications for a new **wrap cash ISA** for holding within a **wrap product portfolio**. **We** will also no longer accept any subscriptions which are made into any existing **wrap cash ISA** on or after 6th April 2023.

Part A applies to both the **Wrap ISA** and the **Wrap Personal Portfolio** and Part B to the **Wrap ISA** only.

These terms should be read with the **wrap services client terms and conditions** as together they form the full terms and conditions of your **Wrap ISA** and/or **Wrap Personal Portfolio**. The **wrap services client terms and conditions** are available from your **financial adviser** and from the **wrap platform**.

Before applying for a **Wrap ISA** and/or a **Wrap Personal Portfolio** **you** should also consider carefully the following documents:

- a. **Wrap ISA and Wrap Personal Portfolio key features document**;
- b. relevant **investment documentation**;
- c. **charges information document**; and
- d. **charging schedule** in the **wrap services client terms and conditions**.

In cases of conflict between **these terms** and the **wrap services client terms and conditions**, the provisions relevant to your **Wrap ISA** and/or **Wrap Personal Portfolio** contained in **these terms** will take precedence over the **wrap services client terms and conditions**. **Standard Life Savings** is the **ISA manager** of the **Wrap ISA**.

Part A – Wrap ISA and Wrap Personal Portfolio information

1. Opening your Wrap ISA or Wrap Personal Portfolio

1.1

You can only apply to open a **Wrap ISA** or a **Wrap Personal Portfolio** if:

- a. **you** have a **financial adviser**;
- b. **you** are 18 or over;
- c. **you** are a **UK resident**; and
- d. **you** are not subject to tax reporting requirements in a country other than the **UK**.

1.2

If **you** want to open a **Wrap ISA** and/or a **Wrap Personal Portfolio**, your **financial adviser** must submit an application via the **wrap platform** on your behalf. **We** may also automatically open a **Wrap Personal Portfolio** for **you**. Please see section 7.3 in Part B of **these terms** for detail.

1.3

Your **Wrap ISA** and/or **Wrap Personal Portfolio** will only be opened once:

- a. **you** have accepted **these terms** (which is done when your **financial adviser** submits an application via the **wrap platform** on your behalf); and
- b. **we** have accepted your application.

1.4

We have full discretion to accept or not to accept an application and **we** reserve the right to reject your application and not to give **you** any reason for doing so.

1.5

If any information provided in your application is found to be incorrect or incomplete and **we** have not received the correct or complete information within 10 **business days** of receipt of your application (regardless of the method of payment), **we** may reject your application, sell any **investments** which **we** have bought on your behalf and return to **you** any **investment** monies received if it is lawful for **us** to do so.

1.6

Once **we** have opened a **Wrap ISA** and/or a **Wrap Personal Portfolio** in your name (or names if **we** receive a joint application, which is available only for **Wrap Personal Portfolio**), **we** will administer it/them in accordance with **these terms** and issue **you** with a **Wrap ISA** account number and/or a **Wrap Personal Portfolio** account number.

Please ensure that **you** and your **financial adviser** include this/these number(s) in all communications with **us**.

1.7

The contract between **you** and **us** will be concluded on the day your **Wrap ISA** or **Wrap Personal Portfolio** is opened under section 1.3.

1.8

We will not advise **you** about the suitability of any **investment** that **you** may decide to hold in your **Wrap ISA** and/or **Wrap Personal Portfolio**, nor will **we** be responsible for any advice given to **you** (or, where **you** are provided with informed choice or execution-only services, any appropriateness assessments conducted with **you**) by your **financial adviser**.

1.9

If your **financial adviser** no longer acts for **you** (for any reason), or **you** have appointed a new **financial adviser** who does not have access to the **wrap platform**, **you** will need to contact **us** by telephone or write to **us** to transact on your **wrap account**. The full details of our procedure for **you** to follow, to operate your **wrap account**, during any period when **you** do not have a **financial adviser**, are set out in the **wrap services client terms and conditions**.

1.10

If satisfactory completion of identity verification checks has not been carried out within 30 calendar days of receipt of your application for a **wrap account** (regardless of the method of payment), **we** will reject your application, or if your **wrap account** and **Wrap ISA** and/or **Wrap Personal Portfolio** has been opened, **we** will

- i. close your **wrap account** and **Wrap ISA** and/or **Wrap Personal Portfolio**, and
- ii. return to **you** any investment monies or sell any **investments** already purchased and return the amount raised on sale minus any loss or plus any gain which

has been caused by market movements, if it is lawful for **us** to do so. If **we** close your **wrap cash ISA** and/or **wrap stocks and shares ISA**, **ISA regulations** mean that the amount **you** have subscribed will count towards your **ISA maximum subscription limit**.

Any **dealing charges** incurred in the purchase and subsequent sale of your **investments** will not be refunded. Some **managers** may also apply exit charges to their **funds**. Any exit charge imposed by the **manager** will be deducted from the amount **we** return.

1.1.1

We will categorise **you** as a retail client for the purposes of the **FCA rules**. For more information on the regulatory protection offered to retail clients, please speak to your **financial adviser**.

1.1.2

We may provide/receive certain benefits (such as training events, seminars, incidental hospitality, information relating to products or services) to/from: (i) members of the **abrdn group**; (ii) other product providers, fund managers and platforms; or (iii) other third parties. Any benefits provided or received will be assessed to ensure they are reasonable, proportionate and of a scale that they enhance the service provided to **you** and allows **us**/them to continue to act in your best interests. If **you** would like details of any benefits that **we** have provided to your **financial adviser**, please ask them.

1.1.3

If **we** have opened a **Wrap Personal Portfolio** for **you**, **we** may offer **you** the option to open up to four additional **Wrap Personal Portfolios** which **you** can hold in your **wrap account** ('Additional Wrap Personal Portfolio'). Any Additional Wrap Personal Portfolio, including any cash and **investments**, will be treated as forming part of your first **Wrap Personal Portfolio**, for example for the purposes of tax or charges calculations. **You** cannot currently open an Additional Personal Portfolio if **you** have a **trust wrap account**. Please contact your **financial adviser** for more information.

2. Your right to cancel

2.1

You may cancel your **wrap stocks and shares ISA** and/or **Wrap Personal Portfolio** in accordance with the provisions set out in the **key features document**.

2.2

Please send your request to cancel to the **Client Engagement Hub**.

2.3

If **you** cancel, **we** will sell any **investments you** have already purchased and **we** will return to **you** the amount raised on sale, minus any loss or plus any gain which has been caused by market movements. **Dealing charges** incurred in the purchase and subsequent sale of your **investments** will not be refunded. Some **managers** may also apply exit charges to their **funds**. Any exit charge imposed by the **manager** will be deducted from the amount **we** return to **you**.

3. Closing your Wrap ISA and/or Wrap Personal Portfolio

3.1

You may terminate your agreement with **us** as set out in **these terms** and close your **Wrap ISA** and/or **Wrap Personal Portfolio** by giving **us** notice in writing (please see section 14 for more details).

3.2

We may terminate **these terms** and close your **Wrap ISA** and/or **Wrap Personal Portfolio** if **you** commit a material breach of **these terms**, in respect of the **Wrap ISA** and/or **Wrap Personal Portfolio** as the case may be, and fail to remedy this within 30 **business days** of being asked by **us** to do so, or if **you** fail to make any payments due to **us** after **we** notified **you** of the amount **you** owe **us** and have given **you** a further 30 days to make the required payments. **We** may also terminate these terms and close your **Wrap ISA** and/or **Wrap Personal Portfolio** if information submitted to **us** in your application for your **Wrap ISA** or **Wrap Personal Portfolio** was inaccurate and, had **we** been aware of this, **we** would not have accepted your application, for example if **you** were not eligible to apply to open a **Wrap ISA** or **Wrap Personal Portfolio** under section 1.1 or section 2.1 of Part B.

3.3

If **you** become resident outside the **UK**, **we** will keep your **Wrap ISA** and/or **Wrap Personal Portfolio** in force unless **we** are or become aware that there are taxation, regulatory or administrative reasons for **us** to close your **Wrap ISA** and/or **Wrap Personal Portfolio**. If **we** close your **Wrap ISA** and/or **Wrap Personal Portfolio**, **we** will do so as described in sections 3.5 – 3.11.

3.4

We may close your **Wrap Personal Portfolio** if the combined value of the cash and **investments** in it drops below £250. For information on minimum balances in relation to your **Wrap ISA**, please see section 7.1 of Part B.

3.5

Once **we** receive your notice to terminate, or **we** decide to terminate in accordance with sections 3.2 to 3.4, **we** shall send **you** confirmation that **we** are closing your **Wrap ISA** and/or **Wrap Personal Portfolio**. **You** will have to provide **us** with instructions, within the timescales **we** advise (which will be reasonable), as to where your assets are to be transferred (if it is possible to transfer them) or, if they are to be cashed-in, that the proceeds are to be paid to your **nominated account**. **We** shall issue forms for your **financial adviser** to complete on your behalf specifying this.

3.6

Once **we** have received your instructions or the forms back from your **financial adviser** under section 3.5, **we** will sell or start to transfer your **investments** as soon as is reasonably practical. **You** will be liable for any **dealing charges** incurred when selling your **investments** or any costs associated with transferring your **investments**. Any cash balances (including the sale proceeds, from which any **dealing charges** incurred were deducted) will be paid into your **nominated account** unless **we** are prevented by law from doing so.

3.7

We will close your **Wrap ISA** and/or **Wrap Personal Portfolio** when all your **investments** have been sold and/or transferred and any cash balances (including the sale proceeds, from which any **dealing charges** incurred were deducted) have been paid into your **nominated account**.

3.8

If **we** have instructions, ad-hoc or regular, to purchase **investments** for your **Wrap ISA** or **Wrap Personal Portfolio** when **we** receive your instruction to terminate **these terms**, in respect of the **Wrap ISA** and/or **Wrap Personal Portfolio** as the case may be, **we** will complete and settle any pending purchase transaction before instructing the sale of your **investments**.

3.9

If **you** do not provide **us** with such instructions within such timescales in accordance with section 3.5, **we** will not accept any **dealing instructions** from **you** or your **financial adviser**. Your **Wrap ISA** or **Wrap Personal Portfolio** will continue in accordance with these terms and **we** will continue to deduct the relevant **charges** (with the

exception of the **platform charge** which **we** will not apply from the point the closure process begins) until such time as your **Wrap ISA** or **Wrap Personal Portfolio** is closed.

3.10

In closing your **Wrap ISA** and/or **Wrap Personal Portfolio**, **we** reserve the right to reimburse ourselves for any expenses (as set out in the charging schedule) that **we** incur or have incurred in connection with opening, running or closing the **wrap product** in question that are outstanding at the time **we** close your **Wrap ISA** and/or **Wrap Personal Portfolio**, whenever such expenses were incurred.

3.11

In the case of a joint **Wrap Personal Portfolio** (where available), the **investments** will pass to the surviving joint owner automatically in the event of death of one of the joint owners.

If **we** are informed of your death (or in the case of a joint **wrap account** the death of both joint owners) **we** will immediately cease acceptance of **dealing instructions** (although **we** will execute **dealing instructions** already received and we will execute dealing instructions to sell as part of a rebalance or bulk instruction) and regular payments into your **Wrap ISA** and/or **Wrap Personal Portfolio** and payment of income out of your **Wrap ISA** and/or **Wrap Personal Portfolio**. Your **financial adviser** must remove your **wrap account** from any rebalancing or bulk instructions they carry out after they are informed of your death.

On receipt of the required documentation establishing who is the person entitled to collect in and distribute your monies or other assets, **we** shall act as instructed by that person.

We will continue to hold the **investments** **you** held in your **Wrap Personal Portfolio** until **we** are instructed by your personal representatives to sell or transfer them. The value of the **investments** may rise or fall from day to day. With the exception of the **platform charge**, which **we** will not apply if we are informed of your death (or in the case of a joint wrap account the death of both joint owners), **we** will continue to deduct charges and expenses, including those levied by third parties. Where **we** have agreed to facilitate the payment of **adviser charges**, **we** may reclaim from your **financial adviser** any **adviser charges** paid from the date of your death and pay them to your **wrap cash account**.

Where **we** choose to make our separate investment management functionality available and **you** have assets managed or administered by a **discretionary investment manager** or by a **financial adviser** on the **wrap platform** using this functionality, where **we** are informed of your death, **we** will move all the **investments** held in

that **managed portfolio** or **advised portfolio** to your **Wrap Personal Portfolio** on the **wrap platform**. Where **we** move the **investments** to the **wrap platform**, different charges may apply to these **investments** where they are held on the **wrap platform** instead of a **managed portfolio** or **advised portfolio**. Where an **investment** is not available on the **wrap platform**, **we** will sell the **investment** and pay the proceeds into the **Wrap Personal Portfolio cash account**. For further details, please contact **us** or speak to your **financial adviser**.

Please see section 7.5 in Part B for details about the process for dealing with your **Wrap ISA** if **you** die.

4. Buying and selling investments

4.1

For more information on our **dealing services** please see section 11 and 12 of the **wrap services client terms and conditions**.

4.2

Your **financial adviser** will be able to tell **you** exactly which **investments** can be held in your **Wrap ISA** and/or **Wrap Personal Portfolio**.

4.3

Some of the **funds** available for **you** to hold in your **Wrap ISA** and/or **Wrap Personal Portfolio** may impose the following restrictions:

- a. a minimum investment amount;
- b. a minimum number of **units** that can be sold; and/or
- c. a minimum value which must be retained in the **fund** after a sale.

These restrictions may cause delays in your **dealing instructions** being placed with the **manager**. For more information please ask your **financial adviser** and consult the relevant **investment documentation** for the **fund** **you** are interested in.

4.4

Subject to sections 4.3, 4.5, 4.15, 4.16 and 4.20 of these terms, the timescales for **dealing instructions** being placed are set out in section 12.1 of the **wrap services client terms and conditions**.

4.5

An **investment** is purchased (and subsequently held and sold) subject to the prevailing terms of the third party provider, for example in respect of **units** in a **fund** the terms contained within the relevant **investment documentation**. **You** should be aware that the **investment documentation** may allow the **manager** to delay a sale or

purchase (or suspend all sales and purchases) of **units**. In this situation, **you** may be unable to buy or sell affected **investments** for a period of time. For full details please refer to the **investment documentation**, available from your **financial adviser**.

4.6

The **managers** may need to close, wind-up, divide or combine existing **funds** that **you** selected for your **Wrap ISA** and/or **Wrap Personal Portfolio**. Please refer to the relevant **investment documentation** for more information. Where the **manager**:

- a. makes any changes to the **fund** as set out in the relevant **investment documentation**; or
- b. fails to administer the **fund** in accordance with the relevant **investment documentation**,

we will not make good all or part of any loss that arises unless **we** have told **you** that **we** will do so.

4.7

If **you** want to buy **listed securities**, your **dealing instruction** placed on the **wrap platform** will be transmitted to the **execution-only stockbroker** for execution by the **dealing services** of the **wrap platform**. Your **dealing instruction** will be executed at the price available on the relevant market at the time your **dealing instruction** is executed.

4.8

Following transmission to the **execution-only stockbroker**, your **dealing instruction** will be executed by them as soon as is reasonably practical during market trading hours, provided that a quote is available for the type and size of deal **you** have instructed. If no price is available on the day that our stockbroker tries to fill your **dealing instruction**, it will be cancelled and a new **dealing instruction** will have to be entered if **you** still wish to carry out that transaction.

4.9

If **you** do not hold sufficient **cleared cash** in your **Wrap ISA cash account** or **Wrap Personal Portfolio cash account** to enable a **dealing instruction** to be executed, **we** may at our discretion and where allowed under the ISA regulations, sell any other **investments** held in the **wrap product** which the **dealing instruction** relates to. In order to avoid repeating such sales too frequently, **we** may sell **investments** of a greater value than the amount outstanding. Please see section 12.21 of the **wrap services client terms and conditions**, or ask your **financial adviser**, for more information.

4.10

If **we** receive a monetary sale instruction which equates to 95% or more of the value of your holding in a **fund** or holding in a **managed portfolio** or **advised portfolio**, **we** will:

- a. change the instruction from a monetary sale to a unit sale instruction of the same proportion; or
- b. in the case of a combined **dealing instruction** (a switch), sell 100% of the units.

This may result in the sale proceeds **you** receive being more or less than the monetary amount **you** requested to sell. **We** do this in order to reduce the likelihood of **you** selling more units than **you** actually hold as a result of the **fund** value falling between the time of the **dealing instruction** and the time that the **manager** values your deal.

4.11

The proceeds of any sale transaction will be paid into your **Wrap ISA cash account** and/or your **Wrap Personal Portfolio cash account** (as applicable).

4.12

Dealing charges are set out in the **charging schedule** and the **investment documentation** and will be confirmed in your **contract note**.

4.13

We will issue all **contract notes** directly to the part of the **wrap platform** which displays information related to your **wrap account** and is accessible only to your **financial adviser** and **you** (if **you** have agreed such access with your **financial adviser** in accordance with the **wrap services client terms and conditions**). **We** will issue **contract notes** direct to **you** by post if **you** have indicated this preference when accepting the **wrap services client terms and conditions**, if your **financial adviser** requests **us** to or if **you** have asked **us** in writing.

4.14

No certificates of ownership will be sent to **you**. Any certificates of ownership that are issued in relation to any **investments** held by you through your **Wrap ISA** or **Wrap Personal Portfolio** will be held by **us**, or an appointed sub-custodian, on your behalf. Section 15 of the **wrap services client terms and conditions** provides more information on the custody of your **investments**. If **you** send **us** physical share certificates to be dematerialised, **we** will convert the certificates into electronic form in the name of our **nominee company**. During this process, **you** will not benefit from the full protection of the **FCA's** Client Assets Rules. However **we** have procedures in place to ensure the assets are kept secure during that time in line with **FCA** principles. For more information, please speak to your **financial adviser** or contact **us**.

Bulk instructions

4.15

The **wrap platform** allows your **financial adviser** and/or your **discretionary investment manager** managing or administering assets on the **wrap platform** to place 'bulk' **dealing instructions** to sell, switch or rebalance **investments** on behalf of multiple clients at the same time. **You** can find more information on switching and re-balancing in sections 12.26 and 12.27 and on bulk instructions in section 12.28 of the **wrap services client terms and conditions**, including information on delays and that **we** will not be liable to **you** for those.

4.16 Listed securities dealing on our investment management functionality

Dealing instructions submitted via the **wrap platform** for **listed securities** from your **financial adviser** or **discretionary investment manager** managing or administering assets on the **wrap platform** and using our separate investment management functionality will be grouped together with other clients of that **financial adviser** or **discretionary investment manager** trading in the same security in the same **wrap product**. These **dealing instructions** are pooled once each **business day** and sent to our **execution-only stockbroker** for completion. **We** will disaggregate the shares purchased upon confirmation of the price received and allocate to **you** the maximum number of shares the value of your order could have purchased. For more information please see our order execution policy at abrdn.com/wrapinfo, contact the **Client Engagement Hub** or speak to your **financial adviser**. Any additional shares from the grouped order will be allocated to clients based on the value of their individual order. One additional share will be allocated to clients with the highest individual order until all residual shares are allocated. Left over cash from the value of your order that was not used to purchase shares will be credited to your **portfolio cash account**.

Discretionary investment managers

4.17

You may wish for some or all of the assets held within your **wrap stocks and shares ISA** and/or **Wrap Personal Portfolio** to be managed by a **discretionary investment manager** on the **wrap platform**. Where **we** choose to make our separate investment management functionality available and you appoint a **discretionary investment manager**, the **discretionary investment manager** will manage certain assets on the **wrap platform**, for example within **managed portfolios**. An appropriate agreement dealing with investment arrangements will need to be entered into with any **discretionary investment manager** (this may be with **you** or your **financial adviser**) before that **discretionary investment manager** begins to manage assets on the

wrap platform. A **discretionary investment manager** cannot manage assets on the **wrap platform** unless **we** have agreed to grant them access to the **wrap platform**. For further details on the appointment of **discretionary investment managers** and those available to **you**, please see section 11 of the **wrap services client terms and conditions** or contact your **financial adviser**.

4.18

Your **discretionary investment manager** can pass on **dealing instructions** to **us** to buy, sell, switch or rebalance any **investments** in accordance with **these terms**, the **wrap services client terms and conditions** and the **discretionary investment manager agreement**.

4.19

Each **discretionary investment manager** or **financial adviser** (where they use this functionality) will levy a **portfolio manager fee** for managing certain assets on the **wrap platform**. Section 19.19 of the **wrap services client terms and conditions** and Part 2C of the **charging schedule** explains how **you** can pay the **portfolio manager fee**.

4.20

An instruction to switch, buy or sell any part of your holding in a **managed portfolio** or **advised portfolio** may also be delayed if your **discretionary investment manager** or **financial adviser** are carrying out an investment transaction, for example, rebalancing of a **managed portfolio** or **advised portfolio**. In this case, **we** will place your instructions to buy, sell or switch any part of your holding in a **managed portfolio** or **advised portfolio** no later than three **business days** following the completion of the **discretionary investment manager's** or **financial adviser's** investment transaction.

4.21

For further details about **discretionary investment managers** and our separate investment management functionality, please see section 11 of the **wrap services client terms and conditions**.

5. Switches

5.1

A 'switch' is a combined **dealing instruction** to sell one **investment** and use the sale proceeds to buy another. A switch instruction can be transmitted, via the **wrap platform**, by your **financial adviser** and/or your **discretionary investment manager** on your behalf.

5.2

When **you** switch your **investment(s)**, the sale of your existing **investment(s)** will attract the same **dealing charges** as a normal sale, and the purchase of your new **investment(s)** will attract the same **dealing charges** and be subject to the same terms (as referred to in section 4.5) as a normal purchase. These charges are explained in section 10 and details of the charges that will apply to your switch will be notified to **you** in your **charges information document** before your **dealing instruction** is placed, and will be confirmed in your **contract note**.

5.3

The timescales for placing an instruction to sell **units** are set out in section 12.1 of the **wrap services client terms and conditions** and those timescales will apply subject to sections 4.3, 4.5, 4.15, 4.16 and 4.20 of **these terms**. **We** will place instructions to buy **units** with the relevant **manager(s)** no later than two **business days** after the last **settlement date** for all of the related sell transactions.

5.4

Switching between **listed securities** requires **us** to place instructions with the **execution-only stockbroker**. Provided that a quote is available for the type and size of transaction **you** want to carry out, **investments** will be sold on the relevant market by the **execution-only stockbroker** as soon as is reasonably practical after receipt of your switch instruction on the **wrap platform**. Once the sale price is confirmed for the sale and, therefore, settlement proceeds can be calculated, your purchase transaction will be placed on the relevant market as soon as reasonably practical. If no quote is available for any of the **investments**, **we** will contact your **financial adviser**.

5.5

When **you** carry out a switch, **investment** monies may be temporarily uninvested ("out of the market") for the days between when the sell deals are placed and the subsequent buy deals are placed. During the time that **you** are out of the market, **unit** prices may rise or fall so the number of **units** **you** are able to purchase may be more or less than **you** could have purchased if your money had not been temporarily uninvested. **You** will not be able to place a sell deal for **investments** that **you** have recently purchased until those **investments** have been credited to your **account**.

5.6

Sections 12.26 and 12.27 of the **wrap services client terms and conditions** provide more information on switching and re-balancing.

6. Shareholder information and entitlements

6.1

You will receive a statement of your **Wrap ISA** and/or **Wrap Personal Portfolio** every 3 months. These statements will show your **investments** at the close of business on the last **business day** of the 3 month period. However, your **financial adviser** can provide you with a valuation or transaction statement at any time on your request, or you can ask us for one directly. Where you request a valuation or transaction statement, it may show your **investments** at the close of business on the **business day** prior to the generation of the statement. Each **investment** will be valued by using the most recent prices available to us at the time the statement is generated.

6.2

You can obtain, free of charge, the **investment documentation** for each **mutual fund** in which you have invested by asking your **financial adviser** or writing to us.

6.3

In the case of a rights issue or a bonus issue (where shares are issued to existing shareholders in the same proportions as their existing holdings) or other capital reorganisation, the number of shares that you receive may be less than the number you would have received if your **investments** were held in your own name, rather than pooled with the **investments** of our other clients, in the name of a **nominee company**. This is because **units** may not be rounded up or down to full numbers where the **investments**, as a result of an action, are not awarded to decimal places. For more information on how your **investments** are held please see sections 14 and 15 in the **wrap services client terms and conditions**. Residual cash balances, if applicable, will be credited to your **Wrap ISA cash account** or to your **Wrap Personal Portfolio cash account** (as applicable).

7. Withdrawals

7.1

If you wish to make a withdrawal of cash from your **Wrap ISA cash account** or from your **Wrap Personal Portfolio cash account** your **financial adviser** can provide us with the relevant instruction on your behalf via the **wrap platform**. Money will be paid from your **Wrap ISA cash account** and/or from your **Wrap Personal Portfolio cash account** into your **wrap cash account**, or your **nominated account**, as requested by you.

7.2

Your **financial adviser** can instruct us on your behalf to make regular withdrawals from your **Wrap ISA** and/or **Wrap Personal Portfolio**. This can be monthly, quarterly, half-yearly or yearly. The withdrawal can either be funded from cash in your **Wrap ISA** cash account and/or in your **Wrap Personal Portfolio** cash account, as relevant, or by the sale of **investments**. Instructions to sell **investments** from your **Wrap ISA** and/or your **Wrap Personal Portfolio**, or to sell specific **investments**, can be set up by your **financial adviser** on your behalf.

7.3

Subject to section 7.5 below, money will be paid into your **wrap cash account**, or your **nominated account**, within **10 business days** of us receiving your instructions on the **wrap platform** or us receiving payment from the relevant **investment provider**, whichever is later.

7.4

The minimum regular withdrawal amount from your **Wrap ISA** and/or **Wrap Personal Portfolio** is £25. The value of your **Wrap ISA** or **Wrap Personal Portfolio**, as appropriate, must be at least £500 at all times to allow regular withdrawals to be made. Please contact your **financial adviser** for further details.

7.5

A withdrawal may be delayed

- in the case of a **managed portfolio** or **advised portfolio**, where there are outstanding investment transactions created by a **discretionary investment manager** or **financial adviser** (see section 4.20 for detail); or
- if there are outstanding charges or where settlement proceeds have not been received.

8. Pricing

8.1

Each **fund's unit price** is set by the **manager** in accordance with the relevant **investment documentation**. The price of **listed securities** is set by the market. You can find the most recently published price for your **investments** from your **financial adviser** and from the **wrap platform**. You should remember that all prices are historic, may not include all price adjustments and are not, therefore, prices at which your **dealing instructions** will be executed.

9. Income

9.1

Income from **mutual funds** is made up of either interest or dividends. Most, but not all, **mutual funds** will offer two types of **units**: income **units** and accumulation **units**. The type of **units** available from each **mutual fund** is detailed in the relevant **investment documentation**.

9.2

Income **units** pay the income attributable to each **unit** you own to you, whereas accumulation **units** retain that income within the **mutual fund** and this is reflected in the published price which will be higher than for income **units**.

9.3

In relation to any **units** purchased in **mutual funds**, the first income distribution may include an amount of equalisation. This equalisation reflects income accrued by the **mutual fund** in the accounting period prior to being purchased. This applies equally to cash distributions paid by income **units**, or reinvested distributions in the case of accumulation **units**. The purpose of equalisation is to ensure that all investors in a mutual fund are treated fairly: investors who hold the **units** for the full accounting period receive the full distribution; investors who acquired the **units** during the accounting period will receive a lower income amount in their distribution for that accounting period. Amounts of income equalisation received as part of distributions on **units** in **mutual funds** of the same type and in the same fund may be aggregated and the average amount of income equalisation attributed to each such **unit** acquired during the relevant period.

9.4

Any returns on **insured funds** are allocated by the **manager** by adjusting the **unit** price of the **fund**. For more information, please see the relevant **investment documentation**.

9.5

We will collect income from your **investments** for you and allocate it to your **Wrap ISA cash account** or **Wrap Personal Portfolio cash account**. Income from your investments held in a **managed portfolio** or **advised portfolio** (where the **financial adviser** uses our separate investment management functionality) will be paid to your **portfolio cash account**. We will use all reasonable endeavours to do this within 10 **business days** of receiving it. However there may be circumstances out of our control where an income payment may be delayed. You can elect to have this collected income paid to you, in which case we will then forward it to your **nominated account**, or reinvested to buy more of the **units** from which the income has been

received. If you do not elect to have this collected income paid to your **nominated account** or reinvested, it will remain in your **Wrap ISA cash account** or **Wrap Personal Portfolio cash account** or **portfolio cash account**.

9.6

Money which you hold in your **wrap cash ISA**, **Wrap ISA cash account** and **Wrap Personal Portfolio cash account** and **portfolio cash account** (where invested within a **wrap stocks and shares ISA** and/or **Wrap Personal Portfolio**) is held in pooled client bank accounts, as explained in section 13.1 below.

9.7

A specific rate of interest is applicable in respect of money that we hold for you in your **Wrap Personal Portfolio cash account**, your **Wrap cash ISA** and **Wrap ISA cash account**. Please see sections 16.5 to 16.9 in the **wrap services client terms and conditions** for details.

10. Charges, expenses and discounts

The charges payable depend on the **investments** you choose to invest in and hold in your **Wrap ISA** and/or **Wrap Personal Portfolio**, the **adviser charges** and the commission we pay to your **financial adviser** and whether you choose to appoint a **discretionary investment manager** to manage assets held within your **wrap stocks and shares ISA** and/or your **Wrap Personal Portfolio** on the **wrap platform**. Your charges will be shown in your **personal illustration** and **charges information document** (where you have a **wrap stocks and shares ISA** or **Wrap Personal Portfolio**) and will be made up of some or all of the charges described in this section, depending on the holdings in your **Wrap ISA** and/or **Wrap Personal Portfolio**. You can obtain information on the current level of charges from the **charging schedule** (which is available from your **financial adviser** or by contacting us).

Administration charges

10.1 Annual management charge

This is a charge levied by the **manager** of each **fund** to pay for the services it provides. This charge is calculated daily and applied each **business day** after the **mutual fund** has been valued and before the **unit price** is set. The **personal illustration** will show details of any annual management charge that applies to **funds** you have chosen and you can find out the annual management charge which applies to a particular **fund** by contacting your **financial adviser**.

We will not be responsible for any increase in the annual management charge levied by a **manager** which is not part of the **abrdn group**.

Managers which are part of the **abrdn group** have the right to increase the annual management charge which they apply to the **funds** they manage. Increases will reflect increases in the relevant **manager** overall costs of managing and operating these **funds** or any other reasonable grounds referred to in section 10.14. Any increases in the annual management charge levied by a manager in the **abrdn group** will not increase the profit margins of the **manager** above reasonable levels.

10.2 Mutual funds initial charge

Managers sometimes levy a one-off initial charge when **you** first invest in a **fund**.

This charge will be taken from the amount **you** intended to invest therefore reducing the number of **units you** can buy. Please ask your **financial adviser** to provide further information about this for any **fund** that **you** invest in.

10.3 Additional expenses

Managers may deduct additional expenses from the value of the assets in their **funds** when they calculate the price of their **funds** (to cover costs incurred by the funds such as regulatory expenses). The deduction of additional expenses is over and above the annual management charge and any initial charge that applies. These include (but are not limited to):

- a. auditors fees;
- b. custodians fees;
- c. any depository or trustee fees; and
- d. regulatory expenses.

In addition, where the **fund** is a fund of funds (a **fund** that holds underlying funds as its investments), the additional expenses may also include the cost of managing the underlying funds. Where these expenses arise within the **fund**, they have been taken into account in the calculation of the fund price.

More information on additional expenses can be found in each **fund's investment documentation**, which **you** can obtain from your **financial adviser**.

10.4 Initial and exit investment costs

These are price adjustments a **manager** sometimes imposes when **you** buy or sell **units** in their **fund** to protect the value of the **units** held by other investors in their **fund** and may be referred to as dilution levy, creation adjustment or swing price. More information may be available in the relevant **fund's investment documentation** or by contacting your **financial adviser**.

10.5 Transaction costs

These are cost and charges incurred by **managers** as a result of the acquisition and disposal of the **funds**. These include broker commissions, transaction taxes, foreign exchange costs and entry and exit charges paid by the **fund**. These costs are included in the **unit price** of the **fund**.

Charges for buying and selling stocks and shares

10.6 Transaction charge

We levy a transaction charge if **you** buy and sell **listed securities** using our **dealing services**. **We** will also levy a transaction charge where your **discretionary investment manager** or **financial adviser** buys or sells **listed securities** using our separate investment management functionality. These charges are set out in Part 1B of the **charging schedule**.

Platform charge

10.7

We will make a monthly charge for the provision of the services on the **wrap platform**, some administration of the **wrap products** and a reasonable margin for profit. The annual equivalent of this monthly charge is set out in Part 1C of the **charging schedule**. The amount of this charge depends on the value of your **platform eligible assets** held in your **wrap account**. Please see Part 1C of the **charging schedule** for details.

10.8

Provided that **cleared cash** is available, the **platform charge** for **wrap ISA**, **wrap personal portfolio** and **wrap cash account** will be deducted from your **wrap cash account** on the fifth day of each calendar month.

10.9

Your **platform charge** may, at our discretion, be reduced, for example where your **financial adviser** holds a certain level of **platform eligible assets** on the **wrap platform**. Any reduction may be different for the **wrap cash account**, the **wrap cash ISA**, the **wrap stocks and shares ISA** and the **wrap personal portfolio**. If such a reduction applies to **you**, the reduced charge will be shown on your **personal illustration**. Your **platform charge** may also be reduced by the family terms in accordance with Annex 1 Part 4 of the **charging schedule**. Please ask your **financial adviser** for further details of any reduced charges that may apply to **you**.

10.10

We will take a cash management administration charge to undertake our cash management activity. Please see sections 16.5 to 16.9 in the **wrap services client terms and conditions** for details.

How we set our charges

10.11

Our total charges under the **Wrap ISA** and **Wrap Personal Portfolio** are intended to cover our overall costs in providing the **Wrap ISA** and **Wrap Personal Portfolio** (including an appropriate proportion of the costs of the **wrap platform**, **wrap services** and **wrap products**) and to provide a reasonable margin for profit. These overall costs include:

- a. expenses incurred at the start of your **Wrap ISA** and/or **Wrap Personal Portfolio**;
- b. expenses incurred during the term of your **Wrap ISA** and/or **Wrap Personal Portfolio**; and
- c. expenses incurred when your **Wrap ISA** and/or **Wrap Personal Portfolio** end.

10.12

The charges are expressed as a proportion of **investments** held in your **Wrap ISA** and/or **Wrap Personal Portfolio**. **We** set the charges and discounts so that there is a reasonable balance between customers who are using the **wrap platform** for different **wrap products**.

10.13

We will review our charges at least once a year. **We** may increase these charges or introduce new ones for the reasons set out in sections 19.3 and 19.4 of the **wrap services client terms and conditions**.

10.14

Unless it says otherwise in this section or sections 16.9 or 16.10 of the **wrap services client terms and conditions**, we'll give **you** at least 30 days' notice before any adjustments to the charges and discounts become effective, or **we** introduce a new charge, or in respect of charges which are set by a third party and are therefore out of our control, **we** will notify your **financial adviser** of the change as soon as is reasonably practical.

Fund based charges

10.15

The fund based charges, expenses and levies on **funds** are described in sections 10.1 to 10.4.

10.16

Managers may increase or reduce their charge and, when **we** are informed, **we** will notify your **financial adviser** of the change as soon as reasonably practical. If **you** would like information on the charges levied by the **managers** of **funds** **you** are invested in, please contact your **financial adviser** or contact **us**.

Adviser Charges – your financial adviser's remuneration

10.17

You can ask **us** to facilitate the payment of an **adviser charge** to your **financial adviser** on your behalf. If **we** agree to facilitate the payment of an **adviser charge** on your behalf, **we** will deduct the corresponding charge from your **wrap cash account** (**you** cannot agree to pay an adviser charge from within your **Wrap ISA** or **Wrap Personal Portfolio** but **we** may deduct the corresponding charges, move cash and/or cancel or sell assets from within these products in accordance with sections 11.1 to 11.3. For more information about **adviser charges** please see section 19.18 of the **wrap services client terms and conditions** and Part 2A of the **charging schedule**.

Portfolio manager fee

10.18

Where **we** choose to make our separate investment management functionality available, each **discretionary investment manager** or **financial adviser** (where they use this functionality) will levy a **portfolio manager fee** for managing certain assets within your **wrap stocks and shares ISA** and/or your **Wrap Personal Portfolio**. For further information on the **portfolio manager fee** and how **you** can pay it, please see sections 11.10 and 19.16 of the **wrap services client terms and conditions** and Part 2C of the **charging schedule**.

11. Paying your charges

11.1

We may move money between cash accounts if **you** do not hold sufficient monies in the relevant cash account to pay charges and expenses which **you** owe **us** or a third party.

If there is insufficient cash in the relevant **cash account**, **we** will deduct the relevant amounts or any shortfall from the **cash accounts** listed below and/or sell **investments** in the following order:

- a. cash in the **wrap personal portfolio cash account**;
- b. **units** in **funds** or **investments** within a **managed portfolio** held in the **wrap personal portfolio**;
- c. cash in your **stocks and shares wrap ISA**; and then
- d. **units** in **funds** or **investments** within a **managed portfolio** held in your **stocks and shares wrap ISA**.

We may also sell or instruct the sale of sufficient amounts of any **investments** **we** hold on your behalf.

We will not contact **you** or your **financial adviser** before **we** do so. In order to avoid repeating such sales too frequently **we** may sell **investments** of greater value than the amount outstanding. This may have tax consequences for **you**, so it is important to ensure your cash accounts contain sufficient money to pay charges and expenses as they become due. **We** are not responsible for any loss, charges or tax liabilities that **you** may incur as a result of such sales.

11.2

You can agree with your **financial adviser** which disinvestment strategy **we** should apply when **we** sell **investments** to cover outstanding charges as described in section 11.1. The strategy can be to sell

- proportionally from all **investments** held in your **wrap ISA** or **wrap personal portfolio**;
- on a 'Last In First Out' basis (the date of purchase of the **investment** being the **settlement date**); or
- on a 'Least Volatile Stock' basis. If two or more **investments** have the same volatility rating, **we** sell the most recently purchased **investment**.

It is not possible to select a strategy for **investments** managed in a **managed portfolio** or **advised portfolio**. These are always sold proportionally. **We** also sell any **investments** proportionally if no strategy has been selected. Certain **investments** are excluded from any disinvestment strategy. Please contact **us** or your **financial adviser** for more information.

11.3

You can agree with your **financial adviser** to designate certain **investments** and/ or **managed portfolios** as 'Treasured Investments'. This means that **we** will not sell these Treasured Investments unless

- **you** or your **financial adviser** inform **us** that that **we** should no longer treat these as Treasured Investments;
- your **financial adviser** submits a **dealing instruction** to sell the Treasured Investments; or
- there are insufficient **investments** available in your **wrap ISA** and/ or **wrap personal portfolio** that can be sold to cover any outstanding charges.

It is not possible to designate money held in any of your cash accounts, or individual **investments** managed in a **managed portfolio** as Treasured Investments.

12. Changing or replacing these terms

12.1

We can make reasonable and appropriate changes to **these terms** (or issue a replacement set of terms and conditions in their place) at any time while your **Wrap ISA** and/or **Wrap Personal Portfolio** are in force for the reasons set out in section 25.1 of the **wrap services client terms and conditions**.

Amendments **which** are immaterial or not to your detriment will not require notification. Where **we** notify **you** **we** will also provide **you** with an amended version of **these terms** or just the amended terms either by post, email, by posting them on the **wrap platform** and/or by directing **you** to our website.

12.3

Changes to **these terms** that are due to a reason outside of our control (e.g. a change in legislation) or which are immaterial or not to your detriment may take effect immediately. All other changes will take effect 30 days from the date of our notification of the change or any later date specified in our notification. Each notification of change **we** provide to **you** will state the reasons for the change.

12.4

If **you** object to a change implemented by **us** in respect of the valid reasons contained in **these terms** please contact your **financial adviser** but please note your only recourse may be to close your **wrap account** and close your **Wrap ISA** and/or **Wrap Personal Portfolio**.

12.5

If **you** object to a change implemented by **us** in respect of valid reasons which are not mentioned in **these terms**, **you** can notify **us** of your objection within the 30 day notice period by contacting **us** as explained in section 18. **You** will then have 90 calendar days to close your **wrap account** as explained in section 9 of the **wrap services client terms and conditions** and close your **Wrap ISA** and/or **Wrap Personal Portfolio** as explained in section 3 of **these terms** and **we** will waive any exit fees normally applicable.

You will have to pay any charges from third parties that **we** are able to pass on to **you** under **these terms** or the **wrap services client terms and conditions**.

the **FCA rules** on holding clients' safe custody assets. The assets may also be subject to a security interest, lien or right of set off, which means that the appointed custodian (or sub-custodian) may hold on to the assets until a charge or fee relating to the assets is paid, or because the appointed custodian (or sub-custodian) is required to do so by the law applicable in the jurisdiction where the assets are held. 16.6

Within 8 weeks of receiving your complaint **we** will send **you** one of the following two responses:

Where an **investment** is held overseas, there may be a requirement to deduct tax locally before payment of interest. If this happens, it may not be possible to recover that tax.

4.4 Stocks and shares ISA

However, there are occasions where a person paying interest may be required to deduct tax before paying interest out. In general, your **ISA manager** is entitled to receive payments of interest into your **ISA** without deduction of interest from **UK** sources. If the situation arises where **UK** income tax has been deducted from a payment of interest, the **ISA manager** will claim this tax back from HM Revenue & Customs on your behalf.

Where an **investment** is held overseas, there may be a requirement to deduct tax locally before payment of interest. If this happens, it may not be possible to recover that tax.

6.2

To transfer an existing **ISA** into your **Wrap ISA** or your **Wrap ISA** into an **ISA** managed by another **ISA manager**, simply contact your **financial adviser** who will be able to process your instruction via the **wrap platform**. It is currently not possible to transfer an **innovative finance ISA** or a **lifetime ISA** into your **Wrap ISA**. Please speak to your **financial adviser** for further information on the options available.

6.3

If **you** wish to transfer your **Wrap ISA** to another **ISA manager**, depending on the terms and conditions imposed by the new **ISA manager**, **you** can either choose to:

- a. where possible transfer the **investments** that **you** hold in your **Wrap ISA**; or
- b. sell your **investments** and transfer the sale proceeds (i.e. the resulting cash amount).

6.4

If **you** choose to sell your **investments** and transfer the sale proceeds, the procedure described at section 4, 'Buying and selling investments', in Part A, will apply to the sale.

6.5

If **you** wish to transfer an existing **ISA** to **us** (and your existing **ISA manager** does not support the transfer of the **investments** held in that **ISA**), your **ISA manager** will sell your **investments** and transfer the proceeds to **us** instead. Any refunds of tax, or income payments, relating to your existing **ISA** that are received by **us** after the date of transfer, will be credited to your **Wrap ISA**. If the payment is credited to your **wrap stocks and shares ISA**, it will be held as cash until **we** receive your **dealing instructions**.

6.6

On your instructions and (subject to the below) within the time stipulated by **you**, which must be no less than 30 days, **we** will transfer to **you** all or part of the proceeds arising from your **investments** in your **ISA(s)**. **We** will carry out the transfer within a reasonable period but it may take up to 30 days from the date of receipt of your instruction. In this case the procedure described at section 4 of Part A of **these terms** will apply to the sale.

6.7

We require certain information from the existing **ISA manager** in order to accept the transfer of an existing **ISA**. If complete and accurate information is not provided, **we** will be unable to complete your instruction and may return the assets to the existing **ISA manager**. If **we** are able to identify these **investments** as yours, **we** will notify your **financial adviser** if **we** do this.

6.8

Please see section 13 of the **wrap services client terms and conditions** for information about transfers of **investments** via the re-registration procedure, including certain restrictions.

- b. if the value of the investment **you** hold in your **Wrap ISA** falls below £250; or
- c. in the circumstances described in section 3.5 of Part A.

7.2

An **ISA** may be found to be invalid. For example, it may be invalid because of failure to satisfy the provisions of the **ISA regulations**, the **investments** held in the account are not permitted for an **ISA**, **you** do not meet the eligibility criteria, or the payments made to the account are invalid. If the problem is capable of being remedied, the account may continue as an **ISA** after corrective action, or repair. Invalid accounts that cannot be repaired will be voided.

7.3

If HM Revenue & Customs were to find your **ISA** invalid, they would write to **us** and detail the action that must be taken in relation to your **ISA**. They would also notify **you** in writing of the instructions given to **us**. If your **ISA** is voided, all income in respect of that subscription will be taxable and all the invalid subscription monies and/or **investments** and income must be removed from the **ISA**. Valid **ISAs** from other **tax years** will be unaffected. If your **Wrap ISA** is voided or is to be voided **we** will, where possible, transfer any cash invested through invalid subscriptions or investments purchased with invalid subscriptions held in your **Wrap ISA** to your **Wrap Personal Portfolio** and then notify **you**. **We** will automatically open a **Wrap Personal Portfolio** for **you** if **you** do not already have one. Cash will be transferred to your **Wrap Personal Portfolio** cash account. **Investments** will be transferred to your **Wrap Personal Portfolio** and invested proportionally in the same **investments** based on the amount the invalid subscription bears to the whole subscription.

7.4

If your **investments** need to be sold, the procedure described in section 4 in Part A will be followed.

7.5

If **you** die, your **Wrap ISA**, together with all associated tax benefits, will continue until the earliest of:

- a. the administration of your estate being finalised; or
- b. the closure of your **Wrap ISA**; or
- c. three years after the date of your death.

After this time, your **Wrap ISA**, together with all associated tax benefits, will automatically cease. Although your **ISA** will no longer be in force, **we** will still hold the **investments** that used to be part of your **Wrap ISA**, with the exception of **insured funds** which will be sold when **we** notify the **manager** of your death. Your **investments** will remain subject to daily price movements and charges and expenses, until **we** receive instructions from your personal representatives either to sell the **investments** or, where allowed, transfer them to a new holder.

Where **we** choose to make our separate investment management functionality available and **you** have assets managed/ administered by a **discretionary investment manager** or by a **financial adviser** on the **wrap platform** using this functionality, where **we** are informed of your death, **we** will move all the **investments** held in that **managed portfolio** or **advised portfolio** to your **Wrap ISA** on the **wrap platform**. Where **we** move the **investments** to the **wrap platform**, different charges may apply to these **investments** where they are held on the **wrap platform** instead of a **managed portfolio** or **advised portfolio**. Where an **investment** is not available on the **wrap platform**, **we** will sell the **investment** and pay the proceeds into the **Wrap ISA cash account**. For further details, please contact **us** or speak to your **financial adviser**.

7.6

If **we** or **you** close your **Wrap ISA** after the cancellation period (referred to in section 2 of Part A), including in the circumstances set out in section 1.10 of Part A, your **Wrap ISA** and any subscriptions **you** have made to it will be deemed to have existed for the purpose of calculating whether **you** have exceeded the **ISA maximum subscription limits**.
